RULES AND REGULATIONS

The following Rules and Regulations are subject to change at any time after approval by the Public Service Commission.

SECTION 3 RIGHTS ON PAYMENT OF WATER CONNECTION CHARGES

Water connections shall be made available to the owners of any premises (residential, commercial or industrial) abutting upon any street, road, alley, public way or easement in which a water line is constructed by the District within 150 feet of the property line or easement of such owner. Such lines shall be considered available to any premises as to which the boundary line or easement is located within 150 feet of such water line.

Any and all property owners to whom such lines are so available shall be entitled to a water connection upon timely payment of the prescribed water connection charge as set out above.

Any and all owners of properties in the District where the property line or easement is located more than 150 feet from a water line shall be entitled to the same privilege by paying the additional cost of bringing a water line the additional distance, in excess of 150 feet, to his property line or easement. These additional costs shall be refunded as per 807 KAR 2:040 Section 12:2(b), 3.

SECTION 4 RIGHTS ON PAYMENT OF CONNECTION CHARGE; PAVEMENT REPLACEMENT

The payment by property owner(s) of the prescribed water connection charge shall entitle the owner of such property to have a water line brought to the edge of his property line or easement, and said charge includes the cost of replacing any pavement which may be disturbed on any dedicated public streets or ways during construction. Such property owner, if he desires water service, must bear the cost (including replacement of any pavement which may be disturbed on his premises during the construction) of running a water line from the building located on his premises to the point in said property line or easement where the District has brought the water line.

SECTION 5 COSTS OF INSTALLATION AND INDEMNIFICATION

All costs, expenses and responsibility incident to installation, connection and use of water lines from the outlet side of the respective water meters to such respective premises where such respective water lines are brought to serve such premises and extending to the respective buildings

on such premises, shall be borne by the respective property owners, who shall further indemnify the District from any loss or damage that may directly or indirectly be occasioned by the installation of such lines. All water connections shall be made under the supervision of the Superintendent of said waterworks system in accordance with the rules and regulations of the Kentucky Department of Health.

SECTION 6 RATES ARE EXCLUSIVE OF SALES TAX

The foregoing rates are rates to be charge by the District, and any applicable State sales tax shall be added to each bill as a separate charge.

SECTION 7 EFFECTIVE DATES FOR WATER CHARGES

The foregoing water rates and charges shall be effective as to all water customers beginning on the respective dates upon which water service is sufficiently available to the water premises of the respective customers to enable such customers to connect their premises to the waterworks system of the District. Such system shall be considered sufficiently "available" to any premises which abut upon any street, road, alley, public or private way or easement in which there exists a water line of said system, capable of supplying water service to such premises, where a water line has been brought to the edge of the property line or easement of such premises within the meaning of Section 3 hereof, such date to be determined either upon the date of actual connection of said premises with such water line or on a date ten (10) days after the District furnishes such customer notice, either by personal written notice or by notice published in a local newspaper of general circulation throughout the District, to the effect that water service is available to such premises, whichever date is earlier.

SECTION 8 ALL CUSTOMERS METERED; DUAL CONNECTIONS PROHIBITED; NO FREE SERVICE

It shall be mandatory for all customers of the waterworks system to be metered. Dual or multiple connections (more than one customer on a single meter) are prohibited. No one shall receive or be entitled to free water service or to any such service without paying the full rates herein specified. The schedule of rates herein prescribed for monthly water service shall be uniformly charged to all customers of the waterworks system of the District. No customer shall resell water except under the terms of a special contract executed with the District.

RULES AND REGULATIONS

SECTION 9 METER READINGS AND BILL ADJUSTMENT

Water meters shall be read monthly commencing on the 20th day of each calendar month or as soon thereafter as weather and other conditions and circumstances may reasonably permit, and such reading shall continue as expeditiously as possible until all of the meters have been read.

1/2 of areas will be read on the 10th of each month

In the event, upon periodic inspection, a meter is found to be in error in excess of 2%, either fast or slow, than an adjustment shall be made under the provisions set out in 807 KAR 2:010 Section 9:(1),(2),(3) & (4).

Large leaks shall be adjusted by adding the previous 6 months bills and dividing by 6 to arrive at an average bill. This shall only be done once per year.

No adjustments will be made on dual-hook ups.

SECTION 10 DEPOSITS

A deposit shall be made with the District for water service by any applicant desiring service, except resident property owners, before being entitled to such service. The amount of such deposit shall be \$25.00. For temporary service (such as fairs, carnivals, etc.) a deposit of \$50.00 shall be required. Such deposit, less any unpaid charges, shall be refunded to such customer, his heirs or assigns, within 30 days after such customer notifies the District legally to disconnect or terminate service to such customer. This refund shall include interest at a rate of 6% annually.

SECTION 11 OWNERS PAY CONNECTION CHARGES; OCCUPANTS PAY RATES

Connection charges, where applicable, shall be the personal obligation of the owners of the respective properties. All water charges, other than connection charges, shall be the personal obligation, collectible by law, of the occupant of the lot, property or building receiving the benefits of such use and service so long as the same continues, and the satisfaction of the liability by any party shall be a discharge of the liability for which the payment is made. An easement must be signed before connection is made.

be revised from time to time, and whenever required shall be increased, so as to produce income and revenues from the waterworks system adequate to comply with such covenants and agreements as may be made by the District in connection with the Revenue Bond Issue financing referred to herein.

SECTION 13 BILLING; COLLECTION; PENALTIES; DISCONNECTION OF WATER SERVICE; RECONNECTION

The rates or charges aforesaid shall be billed monthly on or about the first of each month, and all bills for such service shall be considered due and payable twenty days after rendition. If a bill is not paid as aforesaid within such twenty-day period, there shall be imposed a penalty on each bill not so paid, in an amount equal to ten percent (10%) of the charges (other than sales tax) shown on the face amount of said bill not so paid. Also, if a bill is not paid within said twenty-day period after said due date, the charges shown on such bill shall be deemed delinquent, and the Superintendent of the waterworks system, after furnishing 48 hours written notice to the delinquent water user, shall thereupon, if such delinquency continues, turn off the water of such user according to the current practices existing at the time of the turn-off for water delinquents and may further enjoin use of the water facilities of the District by said customer until payment in full is made. If the deadline date falls on a Sunday or legal holiday, such deadline shall not expire until the next secular day thereafter. If such water service is cut off by the District, reconnection of such service shall not be made until the owner or user pays all charges and penalties owed plus the amount of Ten Dollars (\$10.00) as a reconnection charge. If water service is discontinued at the request of the water customer at a time when such customer is not delinquent in the payment of any charges, then reconnection of such water service within 12 months from the time of the original connection shall not be made until a customer pays a reconnection charge of Five Dollars (\$5.00).

SECTION 14 DEPOSIT IS NO EXCUSE FOR DELINQUENCY

The foregoing provisions are intended to and shall apply regardless of the availability of any initial deposit required by this Resolution.

SECTION 15 SEVERABILITY

If any clause, provision, paragraph or section of this Resolution be ruled void or unenforceable by any court of competent jurisdiction, the
