RULES AND REGULATIONS

3. Meter readings. Registration of each meter shall read in the same units as used for billing unless a conversion factor is shown on the billing form.
4. Frequency of meter reading. Unless prevented by reasons beyond the utility's control, meter readings will be taken every month. Records will be kept by the utility to insure that this information is available to Public Service Commission staff and any customer requesting this information. If, due to reasons beyond its control, the utility is unable to read a meter in accordance with this subsection, the utility will record the date and time the attempt was made, if applicable, and the reason the utility was unable to read the meter.
5. Related Information.
  - a) Bills and notices related to the utility's business will be mailed to the customer at the address listed on the Water Service Contract unless a change of address has been filed with the utility in writing. The utility will not otherwise be responsible for delivery of any bill or notice nor will the customer be excused from the payment of any bill or any performance required in the notice.
  - b) Water service will be billed monthly on or about the 1<sup>st</sup> of each month.
  - c) Bills are payable and due on the date of issuance.
  - d) Payment must be received, not postmarked, before the close of business on the 20th following issuance of the bill; otherwise, the delinquent bill will be assessed the late payment penalty approved and on-file with the Public Service Commission
  - e) The late payment penalty will be assessed on the delinquent amount of the bill, less taxes and any prior penalty amounts. Pursuant to 807 KAR 5:006 Section 8 (3)(h), a penalty may be assessed only once on any bill for rendered services.
  - f) With the exception of existing connections, the existence of a special contract, or unusual circumstances requiring approval of the utility, a single meter can serve no more than one residential or commercial unit on and after the effective date of this tariff.

**RULES AND REGULATIONS**

**Z. Legal Disclaimers.**

1. The utility shall in no event be held responsible for any claims made against it for reasons of system failure or interruption of service. No persons shall be entitled to damages nor for any portion of a payment refunded for any system failure or interruption of service which in the opinion of the utility is deemed necessary.
2. No person shall maliciously, willfully, or negligently break, damage, destroy, uncover, deface, or tamper with any structure appurtenance or equipment which is a part of the utility's water system. Any person violating this provision will be subject to immediate arrest and/or discontinuance of water service and shall pay the cost of repairing or replacing the utility's facilities.
3. If any loss or damage to the property of the utility or any accident or other injury to persons or property is caused by or results from the negligence or wrongful action of a customer, members of his/her household, his/her agent or employee, the cost of necessary repairs or replacements shall be paid by the customer of the utility and any liability otherwise resulting shall be that of the customer.
4. For purposes of fire protection, including any customer's fire protection system, the utility cannot guarantee a water supply at any particular flow rate or pressure. The fire flow may vary depending upon other water demands on the system, various water facility limitations, or other circumstances. The customer will indemnify and hold harmless the utility and its employees from and against all claims, damages, losses, and expenses incurred as a result of insufficient water supply or deficient system facilities.

**AA. Fire Departments.** For the purpose of off-setting fifty percent or more of its operation expenses, any fire department not receiving public funds from the Commonwealth of Kentucky, or any political subdivision thereof, may withdraw water from the utility's facilities at no charge, for the extinguishing of fires or the training of firemen. A fire department making such withdrawals shall provide an estimate of its withdrawals to the utility at the end of each month.
