2. Bill format. A copy of the utility's billing form is included in the utility's tariff.
3. Payment of Bills. Unless prevented by reasons beyond the utility's control, bills will be mailed out around the 22nd of each month and are due by the 10th of the following month. This gives the customer at least two weeks notice. It is up to the customer to make sure they have received their bills. If not received by the end of the month the customer should call the District and we will give you the amount you owe by phone. The District cannot be held responsible for slow mail service or lost mail. If the account is not paid by the 10th, a 10 percent penalty is added and late notices are mailed out around the 11th giving the delinquent customers another 10 days to pay their bills. If delinquent bills are not paid after receiving the delinquent notice, a one time extension will be given until the first day of the month to pay.
4. Related Information.
 - a) The late payment penalty will be assessed on the delinquent amount of the bill, less taxes and any prior penalty amounts. Pursuant to 807 KAR 5:006 Section 8 (3)(h), a penalty may be assessed only once on any bill for rendered services.
 - b) With the exception of existing connections, the existence of a special contract, or unusual circumstances requiring approval of the utility, a single meter can serve no more than one residential or commercial unit on and after the effective date of this tariff.
 - c) Service at a rental property will be disconnected once the property become vacant, unless the owner notifies the utility to place the service in the owners name or unless the service is immediately transferred to another individual. It is the property owners responsibility to transfer the service in the his/her name each time the property becomes vacant.
