PUBLIC SERVICE COMMISSION

That the parties hereto in consideration of the promises and agreements of each other agree as follows.

NOV 21 1968

I

The term of this agreement and contract shall be forty (40) years, commencing as hereafter stated, until the expiration thereof under provisions subsequently set forth herein.

II

The District promises and agrees to furnish and provide the City with its entire supply of water subject to the provisions hereinafter set forth.

III

The City hereby promises and agrees to purchase from the District all of its water requirements and to pay the District for said water the following rates.

First	500,000 Gallons/Month	- \$0.40 Per Thousand Gallons
Next	500,000 Gallons/Month	- 0.38 Per Thousand Gallons
Next	1,000,000 Gallons/Month	- 0.36 Per Thousand Gallons
All Over	2,000,000 Gallons/Month	- 0.34 Per Thousand Gallons

IV

During the term hereof the District shall;

1. Deliver to the City water main at the master meter the pressure that is available in their existing water main, such potable water as the City and its customers may require subject however to the following conditions.
 - a. The District shall not be obligated to furnish water in volumes in excess of the amount of their allotment of ²2,000,000 Gallons per month, after their own needs are satisfied. The District shall transport through their system any additional amount over and above their excess that amount that may be allotted to the City by the City of Central City.

PUBLIC SERVICE COMMISSION
DISTRICT NO. 1
 - b. The City shall maintain its own adequate storage to provide for the consumption of water, current or future at the foregoing delivery rate.

DISTRICT NO. 1
MANAGER
 - c. The District shall not be liable for interruptions of services by break down or other unavoidable cause, and the City shall maintain its own system for service during any such interruption. Emergency failures of pressure or supply due to main supply line breaks, power failure, flood, fire and use of water to fight fire, earthquake, other catastrophe, or reasons beyond the district's control shall excuse the District from supplying the required amount of water for such reasonable period of time as may be necessary to restore service.

V

To determine water consumption and the amounts due, the District shall install and maintain a master meter which shall be freely inspected and examined both by the District and the City. The District shall each month render a statement to the City for water passing through the master meter during the preceding calendar month and the City shall pay said statement to the District within ten (10) days after the rendition thereof. In event the City defaults in any monthly payment the District shall have the right to terminate the supply of water; provided however that any failure on the part of the District to terminate the supply of water under this section shall not constitute a waiver of its right to terminate such delivery for any future defaults and it is further provided that upon payment of any defaulted bill the District shall resume the delivery of water to said City.

VI

NOV 21 1930

Should the master meter at any time be found to be defective or out of order so that an accurate monthly statement cannot be submitted by the District, the District shall repair said meter and in event said meter is not repaired within thirty (30) days the City shall have the authority to make such repairs as will restore said meter to proper operation and the cost thereof shall be paid by the District; the monthly bill in lieu of meter readings shall be a sum equal to the amount paid or due for the preceding month.

VII

The District will, at all times, operate and maintain its system in an efficient manner and will take such action as may be necessary to furnish the City with quantities of water required by said City, not to exceed the amounts previously set forth. Temporary or partial failures to deliver water shall be remedied with all possible dispatch.

the District from supplying the required amount of water for such reasonable period of time as may be necessary to restore service.

VIII

The parties hereto shall have the right at any time during the term hereof to petition the Public Service Commission of Kentucky or its successor and upon proof and a sufficient showing that it cannot financially and feasibly deliver water at the rates herein before provided secure an increase in said rate in such amount as the Public Service Commission of Kentucky should find proper and feasible, and it is further provide that in event the supply of water to the District increases in cost that the increase shall be passed on to the City of Sacramento, as to such amounts of water as may be furnished said City at such increase in cost.

IX

The term of this agreement as herein before set out is forty (40) years, however the City has the right to terminate the agreement any time during said term by giving ~~into the District~~ ^{to the Public Service Commission of Kentucky} six (6) months notice of its intention to terminate ^{effective}.

X

NOV 21 1933

The cost of meter installation including all equipment necessary for said installation shall be paid by the City, provided however that in event this agreement remains in force and effect for fifteen (15) years or longer, the District shall reimburse the City for said costs provided however that such reimbursement shall be from the revenues of the District and shall be paid in such sums and over a period of such time as will not jeopardize the payment for the retirement of its bonds and the interest and costs thereon.

XI

Any successor of the City and District, whether the result of legal process, assignment or otherwise, shall succeed to the rights of such City or District hereunder.

If any section, clause or provision of this contract shall be held invalid, such invalidity shall not effect the validity of any other section, clause or part of said contract.
