

NICHOLAS COUNTY WATER DISTRICT

RULES AND REGULATIONS

29. CUSTOMER'S DEPOSITS:

The Utility may require a minimum cash deposit or other guarantee to secure payment of bills. Service may be refused or discontinued for failure to pay the requested deposit. Interest, as prescribed by KRS 278.460¹, will be paid annually either by refund or credit to the Customer's bill, except that no refund or credit will be made if the Customer's bill is delinquent on the anniversary date of the deposit.

The deposit may be waived upon a customer's showing of satisfactory credit or payment history, and required deposits will be returned after one (1) year if the Customer has established a satisfactory payment record for that period. If a deposit has been waived or returned and the customer fails to maintain a satisfactory payment record, a deposit may then be required. The Utility may require a deposit in addition to the initial deposit if the Customer's classification of service changes or if there is a substantial change in usage. Upon termination of service, the deposit, any principal amounts, and any interest earned and owing will be credited to the final bill with any remainder refunded to the Customer.

In determining whether a deposit will be required or waived, the following criteria will be considered:

1. Previous payment history with the Utility. If the Customer has no previous history with the Utility, statements from other utilities, banks, etc. may be presented by the Customer as evidence of good credit.
2. Whether the customer has an established income or line of credit.
3. Length of time the customer has resided or been located in the area.
4. Whether the customer owns property in the area.
5. Whether the customer has filed bankruptcy proceedings within the last seven years.
6. Whether another customer with a good payment history is willing to sign as a guarantor for an amount equal to the required deposit.

¹ Water districts should substitute KRS 74.050 and water associations should substitute KRS 273.392 since these statutes govern the rate of interest to be paid by water districts and associations.

RULES AND REGULATIONS

SCHEDULE OF SPECIAL SERVICE CHARGES

1. Late Charge: A penalty of 10% will be assessed to all unpaid bills after ten (10) days from the date of the bill
2. Service Reconnection Charge: A charge of \$20.00 will be assessed for all service reconnections made during regular working hours for reconnecting a meter after it has been turned off for either non-payment or per the customer's request. However, there shall be no connection charges made for service on the original installation of facilities.
3. Meter Reading Recheck Charge: A charge of \$20.00 will be assessed for a trip to recheck a meter reading when the Customer requests the meter to be rechecked for a correct reading and meter was not misread.
4. Meter Test: Upon request and payment of \$20.00 the Customer may have his meter tested provided request by the Customer is not more frequent than once each twelve months. If such test shows the meter more than two (2) percent fast, a refund of the \$20.00 charge shall be made and the bill adjusted accordingly. If the periodic testing requirement of 807 KAR 5006 has not been met for the meter tested, no charge will be made for the test regarding less of results of the test.
5. Deposit: A deposit shall consist of not more than two-twelfths (2112) of the customer's estimated annual bill. For residential, small business, and small commercial customers, two-twelfths (211 2) of an average bill has been determined to be \$70.00
6. Returned Check Charge: A charge of \$20.00 will be assessed for a check returned for insufficient funds by the bank.
7. Lock Replacement Charge: A charge of \$15.00 will be assessed for replacement of a damaged lock due to Customer's fault.
8. Meter Replacement Charge: A charge of \$40.00 plus actual cost of parts and labor will be assessed to repair or replace a damaged meter due to Customer's fault.
9. Contribution in Aid of Construction: The established contribution fee is based on the size of the metering equipment as noted below:

5/8 Inch X 3/4 Inch	\$625.00
All Larger Meters	Actual Cost
Fire Hydrants	Actual Cost
