I. SERVICE REQUIREMENTS.

A. Membership. Any person or other entity holding property having reasonable accessibility to the source of and who is in need of having water supplied to his place of occupancy or property may apply for membership in North Shelby Water Company ("Company"). Persons or entities who receive the approval of the board of directors may be admitted to membership ("Member") upon subscribing for a membership certificate, paying the required sum, and by signing such documents, including the contract for water service, as may be provided and required by the Company, provided that no person or entity otherwise eligible shall be permitted to subscribe for or require a membership of the Company if the capacity of the Company's water system, either in general or as to a particular area or line, is exhausted by the needs of its existing Members.

B. Tap-on Fees. A tap-on fee of FIVE HUNDRED (\$500.00) DOLLARS shall be made for each new meter installation where a 5/8 by 3/4 inch meter is used regardless of location. A tap-on fee of SIX HUNDRED (\$600.00) DOLLARS shall be made for each new meter installation where a one inch meter is used regardless of location. The tap-on fee for meters exceeding one inch shall be the actual cost incurred by the Company in purchasing and installing that particular new meter.

C. Membership Fee and Deposit. A membership fee of \$16.00 shall be required of any member before water service is supplied. The Company will require a minimum cash deposit or other guaranty to secure payment of bills except for customers qualifying for service re-connection pursuant to 807 KAR 5:006, Section 15, Winter Hardship Re-connection. Service will be refused or discontinued for failure to pay the requested deposit. Interest, as required by KRS 273.392, will be paid annually on the deposit, either by refund or credit to the customer's bill, except that no refund or credit will be made if the customer's bill is delinquent on the anniversary date of the deposit.

The Company may at its discretion waive a customer's deposit upon a showing of satisfactory credit or payment history. If a deposit has been waived or returned and the customer fails to maintain a satisfactory payment record, a deposit may then be required. The

If there are no similar customers in the system, the deposit will be based on the utility's good faith best estimate of the customer's projected annual bill. The deposit amount shall not exceed 2/12 of the customer's actual or estimated annual bill where bills are rendered monthly.

The Company's billing form is attached hereto as Exhibit A.

D. Turn-on Fee. A Meter Turn-on Charge of TWENTY FIVE (\$25.00) DOLLARS will be made for each meter turn-on made during regular working hours. If the Member requests that service be connected other than during regular working hours, the charge will be THIRTY TWO and 50/100ths (\$32.50) DOLLARS.

E. Nonstandard Service. Any Member shall pay the cost of any special installation necessary to meet his/her peculiar requirements for service other than standard water tap.

F. Water Line Installation. No service will be installed unless there is a main distribution line existing along the road from which service is requested. The Company will install at its expense that portion of the service line extending from the main line to and including the curb box or curb stop on the Member's property immediately adjacent to the right of way of the road along which the main line exists.

G. Easements. Each Member, together with his/her spouse and all other real estate title owners, shall grant or convey to the Company without cost, any permanent easements reasonably required by the Company for the installation and maintenance of the Company's meter and water lines, both existing and future, and for reading that meter at a point on the Member's property to be designated by the Company for each meter, with right of ingress and egress for these purposes over the Member's property, provided such meter and lines are located on real estate owned, rented or otherwise controlled by the Member and such lines (except for the line leading to the Member's meter) are adjacent and parallel to the right of way for a

A charge of THIRTY TWO and 50/100ths (\$32.50) DOLLARS will be made for such a trip when requested by the Member to be made after hours.

IV. CHARGES FOR SPECIAL MISCELLANEOUS SERVICES.

- A. Meter Reading Recheck Charge. A charge of TWENTY FIVE (\$25.00) DOLLARS shall be made for a trip to recheck a meter reading when the Member requests that an earlier meter reading be rechecked and such recheck shows the original reading was correct. The charge shall be THIRTY TWO and 50/100ths (\$32.50) DOLLARS if the Member requests that the reading be rechecked after hours.

- B. Meter Test Request. Upon request a Member may have his meter tested and adjustments will be made to the bill where the meter is found to be more than two (2) percent fast or slow in accordance with 807:KAR 5:006, Section 9. This test will be without charge provided the request by the Member is not more frequent than once each twelve months. If such test shows the meter to be less than two (2) percent fast, a TWENTY-FIVE (\$25.00) DOLLARS charge shall be made. The charge shall be THIRTY TWO and 50/100ths (\$32.50) DOLLARS if the Member requests that the meter be tested after hours.

- C. PSC Meter Test Complaint. Any Member of the Company may request a meter test by written application to the Public Service Commission, Post Office Box 615, Frankfort, KY 40602.

B. Company's Liability. The Company shall not be liable for damage of any kind whatsoever resulting from water or the use of water on the Member's premises, unless such damage results directly from negligence on the part of the Company. The Company shall not be responsible for any damage done by or resulting from any defects in piping, fixtures, or appliances on the Member's premises. The Company shall not be responsible for negligence of third persons, or forces beyond the control of the Company resulting in any interruption of service.

C. Interruption of Service. The Company will use reasonable diligence in supplying water service, but shall not be liable for breach of contract in the event of, or for loss, injury, or damage to persons or property resulting from interruptions in service, excessive or inadequate water pressure, or otherwise unsatisfactory service, whether or not caused by negligence.

D. No Fire Protection Service. The Company provides only domestic water service to rural residences and businesses. The Company does not provide fire protection to its Members or to others. Fire protection must be provided on site by the Member using means other than the Company's distribution system.

E. Fire Hydrants. The fire hydrants installed on the distribution lines of this Company are for the sole purpose of flushing the lines, or other uses by the Company necessary for proper maintenance of the lines. The Company is not responsible for, nor does it guarantee, any minimum pressure or flow at these hydrants, other than the minimum required by the Public Service Commission for distribution lines. If these fire hydrants are used by fire protection units in the performance of their duty, any damage to the distribution lines, resulting from excessive pumping pressure will be the liability of that unit.
