B. Agreements

The undersigned Applicant/Co-Applicants ("Applicant") hereby applies for water service and agrees to purchase water from Northern Kentucky Water District ("the District"), subject to the following terms and conditions:

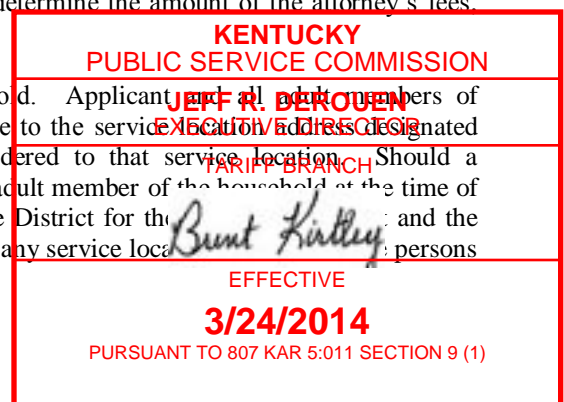

(a) Applicant represents and warrants to the District, that the information provided on this Application is true, correct, and complete in all material respects. Applicant acknowledges that any false or deliberately misleading information provided on this Application will be considered as an attempt to obtain water service through fraudulent means and may constitute grounds for discontinuance of Applicant's service at the service location address designated above.

(b) No application for water service will be approved and no water shall be supplied to any applicant or customer if the applicant or the customer is delinquent or indebted to the District or if any member of an applicant's household is indebted to the District and such indebtedness was incurred while that person and the Applicant were members of the same household. This applies whether the delinquency or indebtedness is incurred at the property address for which this application is made or at any other premises or property. If Applicant fails to disclose to the District Applicant's prior indebtedness or the indebtedness of a member of Applicant's household and the District provides water service, the District may discontinue water service after providing the Applicant with notice of the discovery of the indebtedness and providing Applicant a reasonable period of time to pay the outstanding debt.

(c) Applicant will purchase water from the District to be supplied to the service location address designated above, subject to all terms and conditions set out in the District's rules, regulations, and tariffs now in force or hereafter supplemented or amended. Applicant shall make timely payment of all amounts and charges due on or before their due dates. Applicant understands and agrees that if Applicant's water account becomes delinquent for failure to make timely payment of all amounts and charges due on or before their due dates, the District may discontinue water service.

(d) Applicant agrees to reimburse the District for all reasonable attorney's fees, collection agency fees, and court costs incurred by the District to enforce the terms and conditions of this agreement and to recover any delinquent amounts or other indebtedness if (i) Applicant fails to comply with the terms and conditions of this agreement and (ii) the District commences legal action to enforce the terms and conditions of this agreement and obtains a judgment against Applicant. The court rendering the judgment shall determine the amount of the attorney's fees, collection fees, and court costs to which the District is entitled.

(e) The District is providing water service to Applicant's household. Applicant and all adult members of Applicant's household who benefit from the provision of water service to the service location address designated above are jointly and severally liable for payment of services rendered to that service location. Should a delinquency in payment for service to the service location occur, each adult member of the household at the time of the delinquency is responsible for the delinquency and indebted to the District for the amount of the delinquency and the District may deny any future application or request for water service to any service location for persons until the indebtedness is paid.

(f) Any Co-Applicant who vacates the service location and desires to avoid liability for future amounts under this Agreement, shall notify the District in his or her action. The Co-Applicant shall not be liable for charges for service rendered to the service location after the District's receipt of the Co-Applicant's notice. If notice is provided by telephone, the burden of proof shall be on the Co-Applicant to prove that notice was given if a dispute arises.

(g) Applicant agrees to maintain all water pipes and plumbing in or on the property in compliance with all plumbing specifications as required by the Commonwealth of Kentucky and/or any state, local, or municipal building or plumbing codes.

(h) Applicant agrees to comply with and be bound by all of the provisions of this agreement, and such rules, regulations, and tariffs now in force or hereafter supplemented or amended.
