RULES AND REGULATIONS

SECTION 5

Any prospective consumer desiring to connect onto the water system shall apply to the Board of Commissioners or its duly designated representative, and obtain a permit therefore and shall pay the sum of \$345.00 which shall be a tapping fee for the installation of the meter. There shall be paid to the Ohio County Water District an additional each consumer as a meter deposit, which deposit shall be refunded to the said consumer when he ceases to use water, upon written notice from said consumer that he desires to discontinue said water service, unless, said consumer owes the Water District for water service furnished to him, in which event, said deposit shall be credited on his account. The Ohio County Water District may require from customer or applicant for service, a minimum cash deposit or other guarantee to secure payment of bills of an amount not to exceed 2/12 of an estimated annual bill of such customer or applicant. The utility shall issue to every customer from whom a deposit is received a certificate of deposit, showing the name of the customer and the initial premises occupied, date and amount of deposit. The utility will pay 6% per annum on all deposits held.

SECTION 7.

That complaints may be made to the operator of the system and may be appealed to District Commission within ten days.
