Sheet No. _____

Reid Village Water District

RULES AND REGULATIONS

Section 22. Fire Protection.

The District's system is not designed nor intended for use for fire protection. Any customer using it as such does so at his own risk. The District makes no warranty as to sufficient water pressure or supply at any given time.

Fire hydrants installed on the distribution line of this District are for the sole purpose of flushing the lines and otherwise maintaining the system. Any damage to the distribution lines or fire hydrants by the Fire Department in the performance of their duty is the sole responsibility of that unit.

Section 23. Multiple Users on One Meter.

Where two or more tenants of rental units such as duplexes are served by a single meter, there will be a double minimum charge for the service. In no event shall the monthly bill for each occupant be less than the minimum water rate in the applicable rate schedule.

Section 24. Summary Schedule of Special Service Charges.

The following charges for special services shall be made:

- (a) Tap-on Fee- A charge of \$390.00 shall be made for a new customer tap-on.
- (b) Meter- A charge of \$40.00 shall be made for each new meter.
- (c) Connection Fee- A charge of \$10.00 shall be made for all new customers before service will be turned on.
- (d) Deposit- A charge of \$30.00 shall be made for each customer who wishes to have water service. This deposit is refundable at the time the customer moves from the District and has paid final bill.
- (e) Reconnection Fee- A charge of \$15.00 shall be made for all service reconnections.
- (f) Returned Check Fee- A charge of \$15.00 will be levied and paid by the customer to the District on each check of the customer "returned" for whatever reason.
