RULES AND REGULATIONS

I. The water service rates and charges shall be billed monthly, and all bills for such services shall be payable within ten (10) days after rendition. If not paid as aforesaid within such ten-day period, said charges shall be deemed delinquent and a penalty of ten percent (10%) shall be added and shall be collected as a part of the bill. If a bill is not paid within twenty (20) days after rendition, the water district shall give at least forty-eight (48) hours' written notice, mailed to the last-known address of the customer receiving service as shown on the application for service, that water services to the premises shall be discontinued by a certain day for non-payment.

J. After written notice is given to the customer receiving service as provided for in Section I, above, it becomes necessary for an employee to make a trip to collect the delinquent bill, a charge of \$7.50 for each trip shall be assessed to the customer receiving service, if the bill is paid prior to disconnection.

K. When the Commission has discovered evidence that by fraudulent or illegal means the customer receiving service has obtained unauthorized service, or has diverted the service for unauthorized service, or has obtained service without same being properly measured, the service may be discontinued without notice. The Commission shall not reinstate service until the customer has complied with all rules of the utilities and regulations of the Commission, and the District has been reimbursed for the estimated amount of the service rendered and the cost incurred by reason of the fraudulent use, including the cost of removal and installation of water meters.

RULES AND REGULATIONS

- L. The Commission shall, upon written request of the owner of the real property, direct all bills to the owner of the real property served or to the occupant of the premises.
- M. The Commission may require from any customer or applicant for service a minimum cash deposit or other guaranty to secure payment of bills of an amount not to exceed two-twelfths (2/12) of the estimated annual bill of such customer or applicant.
- N. All meters shall be installed, renewed, and maintained at the expense of the District and the District reserves the right to determine the size and type of meter used.
- O. Upon written request of any customer, the meter serving said customer shall be tested by the District. Such test will be made without charge to the customer if the meter has not been tested within twelve (12) months preceding the requested test; otherwise, a charge of \$4.00 will be made and then only if the test indicates meter accuracy within the limits of two percent (2%). If a meter is inaccurate in excess of two percent (2%), adjustments shall be made for such periods as set forth pursuant to the current rules and regulations adopted by the Public Service Commission of Kentucky.

RULES AND REGULATIONS

P. Where a meter has ceased to register, or meter reading could not be obtained, the quantity of water consumed will be based upon an average of the prior six months' consumption and the conditions of water service prevailing during the period in which the meter failed to register.

Q. The District shall make all reasonable efforts to eliminate interruption of service and when such interruptions occur will endeavor to re-establish service with the shortest possible delay. When the service is interrupted all consumers affected by such interruption will be notified in advance whenever it is possible to do so.

R. The District shall in no event be held responsible for any claim made against it by reason of the breaking of any mains or service pipes or by reason of any other interruption of the supply of water caused by the failure of machinery or stoppage for necessary repairs. No person shall be entitled to damages nor for any portion of a payment refunded for any interruption of service which in the opinion of the District may be deemed necessary.

S. Customers having boilers and/or pressure vessels receiving a supply of water from the District must have a check valve on the water supply line and a vacuum valve on the steam line to prevent collapse in case the water supply from the District is discontinued or interrupted for any reason, with or without notice.

RULES AND REGULATIONS

AA. Billing:

- (1) The responsibility for payment of water bills for services rendered rests with the consumer receiving service and in whose name the utility has the account, absent other arrangements agreed to in writing by the landlord-owner.
- (2) Bills payable within ten (10) days; if not paid, deemed delinquent and penalty of ten percent (10%) added. After twenty (20) days, subject to cutoff after forty-eight (48) hours notice.
- (3) \$7.50 service charge for employee to make a trip to collect delinquent bill.

BB. Extension of Service:

- (1) An extension of fifty (50) feet or less shall be made by the District to its existing distribution main without charge for a prospective customer who shall apply for and contract to use service for one (1) year or more and provides a guarantee for such service.
- (2) When an extension of the District's main to serve an applicant or group of applicants amounts to more than fifty (50) feet per applicant, the District may require the total cost of the excessive footage over fifty (50) feet per customer to be deposited with the utility by the applicant or the applicants, based on the average estimated cost per foot of the total extension.

(3) Each customer receiving service under such extension will be reimbursed under the following plan: Each year for a period of not less than ten (10) years, which for the purpose of this rule shall be the refund period, the District shall refund to the customer or customers who paid for the excessive footage the cost of fifty (50) feet of the extension in place for each additional customer connected during the year whose service line is directly connected to the extension installed and not to extensions or laterals therefrom, but in no case shall the total amount refunded exceed the amount paid the utility. After the end of the refund period, no refund will be required to be made.

(4) An applicant desiring an extension to a proposed real estate subdivision may be required to pay the entire cost of the extension. Each year for a period of not less than ten (10) years the District shall refund to the applicant who paid for the extension a sum equal to the cost of fifty (50) feet of the extension installed for each additional customer connected during the year but in no case shall the total amount refunded exceed the amount paid to the utility. After the end of the refund period from the completion of the extension, no refund period will be required to be made.

CC. In situations wherein the above rules are not applicable, the current rules and regulations governing the service of water utilities, adopted by the Public Service Commission of Kentucky, shall govern.
