AMENDMENTS TO RULES AND REGULATIONS

The following rules and regulations are amendments to the rules and regulations of the Union County Water District, issued on July 22, 1975, and effective September 1, 1975 (P.S.C. No. 2, Original Sheet No. 2) and are subject to change by the Water District Commissioners at any time subject to approval by the Utility Regulatory Commission.

- 1. There shall be an initial service connection charge for a 5/8 x 3/4 meter in the amount of \$400.00, which shall cover the costs of materials, labor and equipment necessary for the installation of service.
2. There shall be a re-connecting charge in the amount of \$15.00 for any party desiring to resume service with the Union County Water District.
3. The District may require a security deposit not to exceed two-twelfths (2/12) of the estimated annual bill of a customer or applicant for service. Interest at the rate of six percent (6%) will be paid on deposits.
4. If it is determined as the result of a request or complaint that there is an error on a customer's meter, then once the amount of the error is determined, pursuant to 807 KAR 25:020, Section 9, the customer shall received credit or a charge (as the case may be) on his next bill for the amount of the error.
5. In the event any bill shall become 30 days overdue, the Water District shall notify the customer, in writing, that the bill is 30 days overdue and the customer will have 15 days from the date of notification in which to pay the charge. If the charge is not paid within 15 days from the date of notice and after allowing the customer an additional 15 days, the service shall be discontinued without further notice and a 10% penalty charge shall be assessed on accounts 30 days overdue.
6. Each customer is required to read his own meter and submit the meter reading by the 25th day of the month following the billing period. In the event the customer shall not comply with this requirement and it is necessary for an employee of the Water District to read the meter to determine the billing charge, there will be a charge of \$15.00 for reading the meter.
7. Any customer desiring to initiate service with the Water District to which it is necessary to make an extension from current water lines of more than fifty (50) feet, then the cost of such connections over fifty (50) feet shall be borne by the customer. The Water District will, however, reimburse the customer for an amount not to exceed his expenses by allowing him a credit each month, to be pro-rated over a ten (10) year period, until the customer's expenditure for the service line over fifty (50) feet is reimbursed in full.
