RULES AND REGULATIONS

Bills for water service are due and payable at the office of the District, or to any designated agent, on the date of issue. The past due shall be the tenth of the following month. Bills will be dated and mailed on or about the twenty-fifth (25) day of each month.

All bills not paid on or before the 10th of the next month shall be deemed delinquent. When a bill becomes delinquent, the District shall serve a customer a written final notice of said delinquency, and of the intent of the District to discontinue service ten days after the date of such notice unless such bill is paid prior to the expiration of such ten days. If a delinquent bill is not paid within ten days after date of such final notice, the water supply to the customer may be discontinued without further notice; provided, however, if, prior to discontinuance of service, there is delivered to the District, or to its employee empowered to discontinue service, a written certificate signed by a physician, a registered nurse, or a public health officer that, in the opinion of the certifier, discontinuance of service will aggravate an existing illness or infirmity on the affected premises, service shall not be discontinued until the affected resident can make other living arrangements or until ten (10) days elapse from the time of the District's receipt of said certification, whichever occurs first. A penalty of 10% of the amount of the bill owed shall be levied and payable by the customer on all bills not paid by the tenth (10) day of the following month. On a new tap-on the billing for this new service shall begin at the time the District makes water available to the customer, regardless of whether the consumer is connected to the meter.

11. Discontinuance of Service by Customer

Any customer having fulfilled his contract terms and desiring to discontinue the water service to his premises for any reason must give notice of discontinuance in writing or in person at the business office of the District at least three (3) days prior to the date on which the customer desires to discontinue service. If such notice is not given, a customer shall remain liable for all water used and service rendered to such premises by the District until such notice is received by the District.

12. Reconnection Fee

C
8/17/2010
Where the water supply to the customer has been discontinued for non-payment of delinquent bills, a charge of ~~\$25.00~~ will be made for reconnection of water service, but the reconnection will not be made until all delinquent bills and other charges, if any, owed by the customer to the District have been paid.

13. Deposit.

The District will require a minimum cash deposit or other guaranty to secure payment of bills except for customers qualifying for service re-connection pursuant to 807 KAR 5:006, Section 15, Winter Hardship Re-connection. Service will be refused or discontinued for failure to pay the requested deposit. Interest, as Required by KRS 74.085, will be paid annually on the deposit, either by refund or credit to the customer's bill, except that no refund or credit will be made if the customer's bill, except that no refund or credit will be made if the customer's bill is delinquent on the anniversary date of the deposit.

The District may at its discretion waive a customer's deposit upon a showing of satisfactory credit or payment history. If a deposit has been waived or returned and the customer fails to maintain a satisfactory payment record, a deposit may then be required. The District may require a deposit in addition to the initial deposit if the customer's classification of service changes or if there is a substantial change in usage. Upon termination of service, the deposit and any interest earned and owing will be credited to the final bill with any remainder refunded to the customer.

In determining whether a deposit will be required or waived, the following criteria will be considered:

- A. Previous payment history with the District. If the customer has no previous history with the District, statements from other utilities, banks, etc. may be presented by the customer as evidence of good credit.
- B. Whether the customer has an established income or line of credit.
- C. Length of time the customer has resided or been located in the area.
- D. Whether the customer owns property in the area.
- E. Whether the customer is a governmental entity.

RULES AND REGULATIONS

such request is not made more frequently than once each twelve (12) months. The customer shall be given the opportunity of being present at such request tests. If such tests show that the meter was not more than two percent (2%) fast, the District will make a ~~\$25.00~~ charge for the test.

8/11/2010

Meters will generally be read around the 15th of the month, but the District reserves the right to estimate bills and to vary the dates or length of period covered, if necessary or desirable due to inclement weather or other reasons.

16. Failure of Meter.

Where a meter has ceased to register, or meter reading could not be obtained, the quantity of water consumed will be based upon an average of the prior six months consumption and the conditions of water service prevailing during the period in which the meter failed to register. Should a prior six-month base evaluation period not be available, and then quantity shall be estimated by District's engineer.

17. Right of Access.

The customer shall permit the District to lay, maintain, repair, or remove such water lines as are owned by the District and located on the customer's property, with the right of ingress and egress over customer's property. The District's duly authorized representative and/or other duly authorized employee of the State Health Department bearing proper credentials and identification shall be permitted to enter upon all properties for the purpose of inspection, observation, measurement, sampling and testing, in accordance with the provisions of these Rules and Regulations.

17a. Easements.

Each customer, together with his/her spouse and all other real estate title owners, shall grant or convey to the District, without cost, any permanent easements reasonably required by the District for the installation and maintenance of the District's meter and water lines, both existing and future, and for reading that meter at a point on the customer's property to be designated by the District for each meter, with right of ingress and egress for these purposes over the customer's property, provided such meter and lines are located on real estate owned, rented or otherwise controlled by the customer and such lines (except for the line leading to the customer's meter) are adjacent and parallel to the right-of-way for a public roadway. In failure of refusal to convey such easements shall constitute grounds for discontinuing service.
