RULES AND REGULATIONS

The following rules and regulations are in addition to those rules and regulations submitted by the Commission of this District and approved by the Kentucky Service Commission on June 6, 1983.

APPLICATION FOR SERVICE Each prospective customer desiring water service shall be required to sign the district's standard water service contract before any service is supplied by the District. No service will be installed unless there is a main distribution line existing along the road from which service is requested. If service is desired on the same side of the road as the main water line, the meter shall be installed within five feet of the main line. If service is desired on the opposite side of the road from the water line, the service line will be run under the road and the meter installed on private property adjacent to the highway right of way. If the distance from the main line to either side of the road is greater than 50 feet, the customer will be required to pay the cost of installing the pipe for ~~the pipe for~~ the additional footage: A contribution in aid of construction as provided in the Schedule of Rates and Charges must be paid on all new connections to the existing water line. Applications for service ~~contracts~~ <sup>PUBLIC SERVICE COMMISSION OF KENTUCKY</sup> will not be processed if the applicant is indebted to the District in any manner. Extensions to the utility's lines shall be made in accordance with 807 KAR 5:066, Section 12(2).

APR 1 1987

DISCONTINUANCE OF SERVICE BY DISTRICT: District may refuse to connect or may discontinue service for the violation of any of its Rules and Regulations or for violation of any provisions of the Schedules of Rates and Charges or of the customer service contract. District may discontinue service to customer for the theft of water or the appearance of water theft services on premises of customer. The District shall not be required to restore service until the customer has complied with all rules and regulations of the District and the said District has been paid for the estimated amount of the service rendered and for any cost incurred by reason of the fraudulent use. All discontinuance of services is subject to the Notice requirements 807 KAR 5:006, Section 11.

RULES AND REGULATIONS

DEPOSIT: A deposit or suitable guarantee equal to 3/12 the average monthly water bill may be required of any customer who is not the owner of the property before water service is supplied. By necessity, the usage of the previous customer will determine the amount or the deposit. The District may refund the deposit after one year with interest thereon of 6%. Upon termination of service, any deposit and interest will be applied to any bill unpaid, with any balance being refunded to the customer. The customer may demand the payment of the interest each year or have said interest used as payment of any bill or portion thereof. The District may voluntarily credit the interest toward payment of any bill or portion thereof.

CUSTOMER'S SERVICE LINE: All service lines beyond the metering point must be installed of material as approved by the District, thus insuring the high quality of materials needed for proper service, Materials consisting of copper, galvanized or PVC pipe with rating of not less than 160 psi is usually acceptable. The size of the service line beyond the point of delivery should not be less than 3/4 inch, however a large line may be required for adequate service. It is recommended that the customer consult with a reputable engineering firm in order to know the proper size of customer's service line. The proper size of the service line is the responsibility of the customer.

INTERRUPTION OF SERVICE: The District will use reasonable diligence in supplying water service and shall make effort to notify effected customers in the event of a service interruption giving approximate time of service restoration.
