Re: Transfer of Intermedia Communications, Inc. to WorldCom, Inc.

Dear Mr. Dorman:

By letter dated September 20, 2001, WorldCom, Inc. ("WorldCom") notified the Commission that it had determined not to sell the regulated telecommunications operations of Intermedia Communications, Inc. ("Intermedia"), in Kentucky, which WorldCom had acquired as of July 1, 2001.¹ As WorldCom indicated to the Commission in its earlier filings on the status of the transaction, Intermedia has continued to operate since the WorldCom acquisition under the existing Intermedia certificates and tariffs. At the same time, WorldCom has evaluated whether and how it will consolidate the Intermedia operations into the existing operations of other WorldCom operating subsidiaries or otherwise make changes to the existing Intermedia business plan.

As part of this evaluation WorldCom advised the Commission on December 21, 2001, of its plans to transition Intermedia's <u>business</u> long distance customers to comparable service plans offered by MCI WorldCom. As stated in earlier filings with the Commission, WorldCom is committed to keeping the Commission apprised of the results of WorldCom's evaluation and any plans to consolidate certain Intermedia services with other WorldCom subsidiaries. Accordingly, at this time, WorldCom advises the Commission that it has determined that it also is appropriate to transition Intermedia's <u>residential</u> long distance customers to comparable service plans offered by MCI WorldCom. In addition, in the near future, WorldCom also plans to transition certain Intermedia local exchange customers to MCI WorldCom. WorldCom will

¹ WorldCom had originally notified the Commission of the proposed transfer of Intermedia to WorldCom on October 26, 2000.

return to the Commission to make such other filings as may be appropriate or required for this transition plan.

As noted above, WorldCom has determined that it is necessary to migrate the residential long distance customers of its subsidiary Intermedia to another WorldCom operating subsidiary MCI WorldCom. Approximately four residential long distance subscribers in Kentucky will be affected by this transition. These customers receive long distance, calling card and 800 services.

Importantly, we note that WorldCom is not at this time seeking to cancel any certificate issued by the Commission to Intermedia or any tariff on file at the Commission, but upon completion of the migration of the affected residential long distance subscribers will as necessary make tariff filings to reflect the modifications to Intermedia's long distance service offerings that are being made as part of this current transition.

Because Intermedia's residential long distance subscribers will be transitioned to another WorldCom operating subsidiary with a new name and with somewhat different rate plans, WorldCom has developed a customer notification and transfer plan that is intended to assure informed customer choice and seamless transition to MCI WorldCom service. However, in the event that a customer elects not to make the change, WorldCom will also assure that any customer who so chooses can transfer to another carrier without any interruption of service.

Specifically, WorldCom has provided customers with notice of the change from Intermedia to its affiliate MCI WorldCom to assure that customers are fully informed of the change. The affected customers were notified by letter, in the form attached as Attachment 1 hereto, that advises them that:

- WorldCom will provide the customer with the same or better high quality telecommunications services as it received from Intermedia;
- WorldCom will reimburse the transferred customers for any primary carrier change charges if they are imposed by the customers' local exchange carrier in connection with the change from Intermedia to MCI WorldCom;
- in the event that the customer prefers to use another company as its long distance carrier, it has the right to switch to another carrier of its choice; and
- the customer may contact WorldCom at a toll-free number with any questions regarding the transfer of their service.

Thomas Dorman, Executive Director May 13, 2002 Page 3

The migration of customers to MCI WorldCom service is expected to take place on or after July 15, 2002. In connection with this process, WorldCom has also fully complied with the rules and regulations of the Federal Communications Commission ("FCC"), 47 C.F.R. § 64.1120(e), requiring notice to customers and permitting the transfer of those customers to WorldCom without WorldCom first obtaining each customer's authorization and verification. See 47 C.F.R. § 64.1120(e) (2001). A copy of the notification filed with the FCC is attached as Attachment 2 hereto.

An original and ten (10) copies of this letter are enclosed. Please date-stamp the extra copy of this letter and return it in the enclosed self-addressed, stamped envelope. If you have any questions or comments regarding this filing, please do not hesitate to contact us.

Respectfully submitted,

Sample Residential Customer Notice Letter

[Customer Name and Address]

Call MCI at 1-800-249-6484 to select the calling plan that best meets your needs.

Customer Telephone Number:

Dear Intermedia Customer,

As you may know, merger activities between Intermedia Communications Inc. and WorldCom, Inc. were finalized last year. As a result, Intermedia will no longer serve as your residential long distance carrier. To ensure that you receive the highest level of service at the greatest value without interruption, we will convert your service to another WorldCom Company, MCI, on July 15, 2002, or soon thereafter, unless you choose another provider as discussed below.

MCI invites you to call a Customer Service Representative to make the switch prior to July 15, 2002, and to select a domestic and international calling plan of your choice. Your local phone company may impose a switching fee, however, MCI will reimburse you for this fee on your first MCI bill. You can call MCI at 1-800-249-6484, representatives are available Monday through Saturday, 7:00 a.m. – 10:00 p.m. (EST). If you subscribe to a service from your local phone company that limits changes to your long distance carrier selection, (this service is often referred to as a "freeze"), please contact your local phone company to remove this service before you contact MCI.

You're under no obligation to select MCI as your long distance carrier. You may select another company to handle your long distance calls. Should you decide not to use MCI, you'll need to contact a replacement carrier or your local phone company, prior to July 15, 2002.

If you choose not to call MCI or another long distance carrier prior to July 15, 2002, you will automatically be placed on MCI's calling plan, MCI Anytime Access(sm). This domestic calling plan offers the following:

- 12¢ per minute on ALL state-to-state calls from home, 24 hours a day,
 7 days a week
- Competitive local toll and in-state long distance rates*
- No monthly plan fee
- International calling plans available
- \$5.00 monthly minimum
- Personal 800 number
- Credit card billing available
- Competitive calling card rates

Those customers that are apart of the automatic transfer from Intermedia to MCI, your long distance calls will be completed by MCI whenever you dial 1+ from your telephone line. In addition, MCI will pay any change fee imposed by your local service carrier. And, MCI will become your long distance carrier regardless of any "freeze" on your account. However, you may need to contact your local service carrier to institute a new "freeze". Upon completion of the automatic transfer, you will receive a welcome packet outlining all of your new MCI services.

If you have any questions regarding the transfer from Intermedia to MCI, please call 1-800-249-6484. If you have any questions regarding the service received from Intermedia, please contact an Intermedia representative at 1-800-250-9999.

In the event MCI's Direct Dial or Dial 1 rates change in the future, you will be notified as outlined in the enclosed General Services Agreement. You may receive advance notice of other changes and our terms and conditions by visiting our website at www.mci.com/service. If you've already switched your long distance service from Intermedia, please disregard this letter.

Sincerely,

Jim Myers MCI, Vice President, Customer Service
