**Re: Birch Telecom of the South, Inc. dba Birch Communications of the Southeast and Ernest Communications, Inc. - Notification of Transfer of Customers and Assets**

Dear Mr. Derouen:

Birch Telecom of the South, Inc. dba Birch Communications of the Southeast (“Birch”) and Ernest Communications, Inc. (“Ernest”) (Birch and Ernest collectively, the “Parties”), hereby respectfully notify the Kentucky Public Service Commission (“Commission”) of a pending transaction pursuant to which Ernest will transfer substantially all of its telecommunications assets and Kentucky customer base to Birch (the “Transaction”).

It is the Parties’ understanding that no prior Commission approval is required to consummate the Transaction described herein. The Parties therefore submit this notice for the Commission’s information.

**I. PARTIES**

**A. Birch Telecom of the South, Inc. dba Birch Communications of the Southeast**

Birch is a Delaware corporation with headquarters located at 3060 Peachtree Road NW, Suite 1065, Atlanta, GA 30305. Birch is authorized by the Commission to provide local exchange and interexchange telecommunications services in Kentucky.<sup>1</sup> Birch is a wholly owned subsidiary of Birch Communications, Inc. (“BCI”), a Georgia corporation with headquarters located at 3060 Peachtree Road NW, Suite 1065, Atlanta, Georgia 30305. BCI and its subsidiaries are authorized to provide telecommunications services to both business and residential customers in 48 states and the District of Columbia.

<sup>1</sup> Utility ID Nos. 5153300 and 22251533.

**B. Ernest Communications, Inc.**

Ernest is a Georgia corporation with headquarters at 5275 Triangle Parkway, Suite 150, Norcross, Georgia, 30092. Ernest is registered to provide telecommunications services in Kentucky.<sup>2</sup>

**II. DESIGNATED CONTACTS**

Correspondence concerning this matter should be directed to:

**III. DESCRIPTION OF THE TRANSACTION AND PUBLIC INTEREST STATEMENT**

On May 30, 2013, BCI and Ernest entered into an Asset Purchase Agreement (“Agreement”) pursuant to which BCI will purchase certain assets and customers of Ernest. Pursuant to the Agreement, BCI will purchase the following assets from Ernest: certain customer accounts and receivables, certain customer agreements and contracts, certain vendor agreements and contracts, certain equipment, and certain intellectual property. BCI, however, will not assume any of Ernest’s pre-closing liabilities or obligations.

Birch will make any necessary revisions to its rates, terms, and conditions to incorporate Ernest’s current services and rates so that affected customers will continue to receive the same services that they currently receive without any immediate changes to their service offerings or rates. The ownership structure of BCI and Birch will not be affected by the Transaction. Upon consummation of the Transaction and after completion of the customer transfer, Birch will provide Ernest’s customers with the same service quality they have come to expect and all billing will be handled under the Birch name.

The proposed transfer will affect all of Ernest’s current Kentucky customers, none of whom will experience any immediate material change to the terms and conditions of their services as a result of this transfer. The transfer is scheduled to take place on or about September

<sup>2</sup> Docket No. TFS2010-00375.

1, 2013. The Parties will provide notice to affected customers in accordance with state requirements and the rules and regulations of the Federal Communications Commission. A draft customer notice letter is attached as **Exhibit A**.

Upon completion of the Transaction and the migration of customers to Birch, Ernest will no longer offer telecommunications services in Kentucky. After Ernest determines that it no longer needs its Kentucky authorization for operational or billing purposes, Ernest will surrender its authorization in a separate filing. The Parties respectfully request that Ernest's authorization and any existing tariffs remain in place until Ernest separately requests such cancellation.

The proposed Transaction serves the public interest, and will ensure that affected customers enjoy continuity of high-quality telecommunications service. Ernest's current customers will be given prior written notice of the transfer of their account to Birch, in compliance with state and federal customer notice rules. Following the Transaction, the affected customers will receive high-quality service supported by Birch's experienced and well-qualified management team. Consequently, the proposed Transaction will be transparent to customers and will not have a negative impact on the public interest, service to Kentucky customers, or competition.

If you have any questions concerning this matter, please contact the undersigned.

Respectfully submitted,

Angela F. Collins

**Draft Customer Notice**

**IMPORTANT NOTICE**  
**REGARDING A CHANGE IN YOUR TELECOMMUNICATIONS SERVICES**

Dear \_\_\_\_\_

Birch Communications ("Birch") and Ernest Communications ("Ernest") are pleased to announce that Birch is acquiring Ernest's local telephone and long distance telephone customers, as well as certain other customers receiving additional types of services from Ernest. Subject to approval by the Federal Communications Commission and state regulators as necessary, Birch will replace Ernest as your current telecommunications service provider on or after **[30 DAYS AFTER LETTER DATE]**, 2013 (the "Transfer Date"). As a result of this transaction, Birch will assume responsibility for all services previously provided to you by Ernest. Birch is excited about the opportunity to provide your telecommunications service(s) and looks forward to a long and mutually rewarding business relationship.

Please rest assured, the transition will have little or no impact on your current services, nor will there be any interruption of your service. The agreement between Birch and Ernest has been structured so that the transfer of service will be virtually seamless, other than the possibility of a minor change to your voice mail service for which you will receive additional information.<sup>1</sup> There, however, may be other changes to your service plan based on Birch's unique billing systems (e.g., customers currently utilizing a message or measured local service plan may be switched to a flat rate plan). In those cases, Birch will transition you in a neutral manner **with no increase to your regular monthly recurring charges**. You will retain all other service rates, features, terms, and conditions of service and your telephone number. Birch will not impose any charges for the transfer of your services to Birch and **no action is required from you to continue your telecommunications service(s) with Birch**. You will receive your first billing statement from Birch starting with your **[MONTH] 2013** or **[MONTH] 2013** bill.

---

<sup>1</sup> It will be necessary for you to reset your password and re-record your message greeting(s). Additionally, saved messages at the time of the transfer will no longer be retained. Birch will provide further details in a follow-up letter.

As in the past, you are responsible for paying all bills rendered to you by Ernest during the transition of service.<sup>2</sup>

You do have the right to select a different carrier for your telecommunications service(s). If you choose to switch to an alternate carrier for services, you may incur a fee from that alternate carrier for the transfer of services to that alternate carrier. If you select a local telephone service provider other than Birch, you should also contact your current long distance provider to ensure that your current long distance plan is not changed. Please note that if you are a customer of Ernest on the Transfer Date as set forth above, your account will automatically be transferred to Birch. In addition, should you have a term commitment with Ernest and you disconnect or transfer services to another carrier prior to the end of that term, you will be liable to Birch for any applicable early termination charges, subject to applicable law. Please note that when your service is transferred to Birch, any preferred carrier "freeze" you have placed on your existing telephone lines to prevent unauthorized transfer of your services to another carrier will be over-ridden for purposes of this transaction and will need to be reinstated by you by contacting Birch after the transfer is complete.

If you have any questions regarding this transaction or questions about your service or billing prior to the Transfer Date set forth above, you should contact Ernest at **800-456-8353**.

If you have any questions regarding this transaction, or questions about your service or billing after the Transfer Date set forth above, you should contact Birch at **888-772-4724**.<sup>3</sup>

Ernest thanks you for your business and Birch looks forward to providing you with quality service for many years to come.

Sincerely,

Ernest Communications and  
Birch Communications
