Re: Essex Communications, Inc. d/b/a eLEC Communications, and
Adelphia Business Solutions, Inc. and its Operating Subsidiaries
CC Docket 00-257 - Transfer of Customer Subscriber Base

Dear Mr. Dorman:

In accordance with the requirements of 47 CFR 64.1120 as promulgated in CC Dockets 00-257 and 94-129 (FCC 01-156), Essex Communications, Inc. d/b/a eLEC Communications ("eLEC") submitted the attached correspondence dated December 27, 2001, as notification to the Commission of an impending partial transfer of a customer subscriber base.

Pursuant to 47 CFR 64.1120(e)(2), which provides for notification to the Commission of any material changes, the parties, Adelphia Business Solutions Operations, Inc.; Adelphia Business Solutions of Louisiana, LLC; Adelphia Business Solutions Operations of Kentucky Inc.; Adelphia Business Solutions of South Carolina, Inc.; Adelphia Business Solutions of Jacksonville, Inc; and Adelphia Business Solutions Investment, LLC, (referred to collectively as "Adelphia") and eLEC wish to advise the Commission that the proposed transfer of customer subscriber base will not be realized.

The previously submitted subscriber notification letter which was to be provided to Adelphia's customers has not been sent to any customers. Therefore, further notification to inform Adelphia customers that the transfer will not occur is not required.

Please feel free to me at (203) 229-2402 if you have any questions regarding this notification.

Sincerely,

Maria A. Abbagnaro

Re: Essex Communications, Inc. d/b/a eLEC Communications, and

CC Docket 00-257 - Transfer of Customer Subscriber Base

Dear Mr. Dorman:

In accordance with the requirements of 47 CFR 64.1120 as promulgated in CC Dockets 00-257 and 94-129 (FCC 01-156), Essex Communications, Inc. d/b/a eLEC Communications ("eLEC") the acquiring telecommunications carrier, is submitting this correspondence as notification to the Commission of an impending partial transfer of a customer subscriber base.

The parties to this transaction include Adelphia Business Solutions of Kentucky, Inc. ("Adelphia") and eLEC. Both eLEC and Adelphia offer resale local exchange service and interexchange telecommunications services, including direct dial outbound service, inbound toll-free service, travel card service and operator assisted services. Adelphia also operates as a facilities-based carrier. Adelphia enters many of its market initially on a resale basis, and then transitions the resale customers to its own facilities as its network is built into these markets. Due to a variety of factors, Adelphia will not be constructing facilities into some areas where it currently has resale customers. As Adelphia's focus is on facilities-based services, Adelphia proposes the relinquishment and transfer of a number of its resale customers, while maintaining its facilities-based end users and those resale customers which it has the ability to convert to facilities-based end users. To the extent applicable, the types of telecommunication services to be provided by eLEC following the transfer are local, intraLATA Toll, interLATA Toll, and/or state-to-state long distance services. The anticipated transfer date is February 21, 2001; however, this date is subject to the necessary regulatory approvals of the state public utility commission. All notice obligations required by the Federal Communications Commission ("FCC") and state public utility commissions to the affected subscribers will satisfy the thirty (30) days notice prior to transfer requirement. [64.1120(e)(1) and (e)(3)].

December 27, 2001

Prior to implementing these changes, the transferring companies will send the required notification to all affected customers not less than thirty (30) days prior to the transfer date. This notification will advise customers of the rates, terms, and conditions of the service(s) to be provided by the acquiring carrier, the fact that the customer will not be responsible for any carrier charges associated with the transaction, the customer's right to choose another carrier, a toll-free telephone number for inquiries about the transfer, the fact that a preferred carrier freeze will not prevent this transfer, that customers that desire a different carrier must choose a new carrier before the transfer date, and if the acquiring carrier will be responsible for the resolution of outstanding complaints levied against the selling/transferring carrier. As required by FCC rules, attached are copies of the subscriber notification letter to be provided to Adelphia customers in Kentucky (Exhibit A) and the letter notification in CC Docket No. 00-257 provided to the FCC (Exhibit B).

Please feel free to me at (203) 229-2402 if you have any questions regarding this notification.

Sincerely,

Maria A. Abbagnaro
