("Excel"), eMeritus Communications, Inc. f/k/a Teleglobe Business Solutions, Inc. f/k/a Telco Holdings, Inc. d/b/a Dial & Save Corp. ("eMeritus"), and Long Distance Wholesale Club, Inc. Excel and eMeritus are authorized to provide intrastate interexchange services and competitive local exchange services in Kentucky. LDWC is authorized to provide only intrastate interexchange services in Kentucky. Teleglobe Holdings through its ownership of intermediary companies controls 100% of the equity of Excel, eMeritus, and LDWC. Teleglobe Holdings does not directly hold any authorizations to provide service in Kentucky. Teleglobe Holdings, eMeritus, and LDWC are each Delaware corporations, and Excel is a Texas corporation.

VarTec is authorized to provide intrastate interexchange services and competitive local exchange services in Kentucky. VarTec Holding does not currently hold, either directly or indirectly, any authorizations to provide service in Kentucky. VarTec is a Texas corporation and VarTec Holding is a Delaware corporation. Through a transaction described more fully below, the proposed transfers of control will result in a change in the ultimate parent company of Excel, eMeritus and LDWC, which will become indirect wholly owned subsidiaries of VarTec Holding and VarTec.

I. Description of the Transaction

Teleglobe Inc. and VarTec have determined that VarTec, Excel, eMeritus and LDWC can realize significant economic and marketing efficiencies, and, ultimately, strengthen their respective businesses by establishing Excel, eMeritus and LDWC as wholly owned subsidiaries of VarTec Holding. Currently, Teleglobe Holdings owns all of the authorized capital stock of Excel Communications, Inc., and Excel Communications, Inc. through its ownership of intermediary companies controls 100% of the equity of Excel, eMeritus, and LDWC. VarTec, VarTec Holding, Teleglobe Inc., Teleglobe Holdings, Excel Communications, Inc., Excel Telecommunications (Canada) Inc., and BCE Inc. executed a Stock Purchase Agreement dated August 26, 2001. Pursuant to that agreement, VarTec Holding has agreed to acquire from

Teleglobe Holdings all of the authorized capital stock of Excel Communications, Inc. VarTec Holding has also agreed to acquire from Teleglobe Inc. all of the authorized capital stock of Excel Telecommunications (Canada) Inc.

The purchase price is payable by delivery of (1) promissory notes of VarTec Holding in the aggregate original principal amount equal to 90% of the purchase price less \$5 million and (2) a warrant for the purchase of that number of shares of VarTec's common stock equal to (i) 1 percent (before giving effect to the exercise of the warrant) of VarTec's issued and outstanding shares of common stock if VarTec has not effected the purchase from Telephone Electronics Corporation of all of VarTec's common stock held by Telephone Electronics Corporation (or if VarTec's common stock held by Telephone Electronics Corporation remains outstanding) or (ii) 5 percent of VarTec's issued and outstanding common stock if such transaction with Telephone Electronics Corporation is consummated.

II. Location of Financial Records

Following consummation of the transaction, the financial records of Excel, eMeritus and LDWC will be located at:

VarTec Telecom, Inc.
1600 Viceroy Drive
Dallas, Texas 75235

IV. Request for Commission Clarification Concerning Adoption Notice

The Reporting Companies respectfully request that the Commission confirm that the transaction described herein does not require the filing of an adoption notice. The Commission's Orders refer to the filing of an adoption notice when a letter is filed with the Commission notifying it of the transfer of control of a utility. However, 807 KAR 5:011, Section 11 requires such an adoption notice to be filed only by "the company which will thereafter operate the utility business". Following the merger, Excel, eMeritus and LDWC intend to continue providing service to their current Kentucky customers under the same corporate names and existing service arrangements pursuant to their Kentucky certificates and tariffs. VarTec will also continue to provide service in Kentucky pursuant to its separate tariff. Therefore, the proposed transfers of control will be transparent to the customers of Excel, eMeritus and LDWC, and customer confusion will be avoided, if VarTec and VarTec Holding are not required to file an adoption notice and new tariff for the customers of Excel, eMeritus and LDWC.

V. New Address for Official Notices

Following the consummation of the transaction, official notices concerning Excel, eMeritus, and LDWC should be sent to:

Michael G. Hoffman

VI. Conclusion

The Reporting Companies submit that the information provided herein demonstrates that the public interest, convenience and necessity will be served by the transaction as described herein.
