Re: Request to Cancel Certificate of Authority
Long Distance Wholesale Club

Dear Mr. Dorman:

Long Distance Wholesale Club ("LDWC") respectfully submits an original and five (5) copies of this letter to request approval from the Kentucky Public Service Commission ("Commission") to cancel the Company's Certificate of Authority.

By way of background, LDWC was granted authority to provide interexchange telecommunications services within Kentucky on May 14, 1996 pursuant to Case Number 96-122. The Company ceased its long distance operations during the first quarter of 2000 following the transfer of its customer base to Excel Telecommunications, Inc.

Please note that since the Company has no subscriber base, the cancellation of its certificate does not adversely impact any Kentucky residents. Furthermore, LDWC believes that it is in good standing with the Commission having no delinquent reports or assessments. For reasons stated herein, LDWC respectfully requests that the Commission authorize the cancellation of the Company's Certificate of Authority and approve the withdrawal of its Kentucky tariff.

Acknowledgment and date of receipt of this transmittal are requested. Please date-stamp the enclosed extra copy of this correspondence and return said copy to the undersigned in the enclosed, self-addressed and stamped envelope. Please direct any questions or comments regarding this filing to the undersigned directly at (214) 424-1776.

Respectfully submitted,
