Dear Ms. Helton:

**RE: REMOVAL OF WESTINGHOUSE ELECTRIC CORPORATION d/b/a/
WESTINGHOUSE COMMUNICATIONS FROM YOUR LIST OF ACTIVE
TELECOM PROVIDERS**

Please accept this letter as a formal request to remove Westinghouse Electric Corporation d/b/a/ Westinghouse Communications ("Westinghouse") from your list of active telecommunications providers in the state of Kentucky. RSL COM U.S.A., Inc. ("RSL USA") purchased Westinghouse in 1998 and filed a Notice of Asset Transfer with the Kentucky Public Service Commission (the "Commission") on August 17, 1998, as attached. With this filing, the Westinghouse certification was withdrawn.

RSL USA merged the assets of Westinghouse into RSL USA's assets, including Westinghouse's customer base. There is no longer a separate Westinghouse customer base, and all former Westinghouse customers have previously been notified of this merger. However, RSL USA continues to receive various regulatory mailings directed to Westinghouse from the Commission. With this letter, RSL USA respectfully requests the elimination of Westinghouse from the list of active telecommunications providers in your state.

If you should have any questions, please call me at (212) 588-3668. Thank you for your assistance with this matter.

Sincerely,

Dennis P...
