Re: Thrifty Call, Inc. ("Thrifty Call") Kentucky Public Service Commission Certificate of Public Convenience and Necessity to Transact the Business of a Reseller of Telecommunications Services; Case No. 94-070 dated April 11, 1994 (the "Certificate")

Dear Mr. Neel:

Thrifty Call requests withdrawal of the above-referenced Certificate effective as of July 10, 2000. Thrifty Call ceased providing services in Kentucky and withdrew its tariff effective October 1, 1999. Thrifty Call provided "dial around" or "casual call" telecommunications services. Therefore, no services provided by Thrifty Call were presubscribed. Personal notice was given to calling card customers prior to termination and casual call customers were notified via a call intercept message initiated when a long distance call was dialed using Thrifty Call's access code. No other end user customers in Kentucky will be affected.

Please confirm receipt of this letter by file stamping the acknowledgment copy and returning it to me in the enclosed self-addressed, stamped envelope.

Sincerely,

Harold E. Lovelady  
President

Dear Ms. Hazelwood:

This letter is in reference to the enclosed Notice of Tax Due in the amount of \$50.00 for Thrifty Call Inc. for the period from July 1, 2001 through June 30, 2002. Thrifty Call, Inc. applied for withdrawal from the Kentucky Public Service Commission on July 10, 2000 (well before the beginning date of this assessment). This request for withdrawal was received on July 17, 2000. Thrifty Call, Inc. sold all of its assets on July 7, 2000 and has not been doing business in Kentucky since July 7, 2000. Thrifty Call, Inc's final Kentucky tax return was received by the Revenue Cabinet on August 3, 2001.

Since Thrifty Call, Inc. has not been doing business in the state of Kentucky since July 7, 2000 and the Public Service Commission was notified for Thrifty Call's change in status on July 17, 2000 we believe this notice is in error.

Please call me if I can be of further assistance at 512-754-6406.

Sincerely,

Jean Brannagan
