(T) 20. LEVELIZED BUDGET BILLING PLAN

OBJECTIVE: To establish a procedure whereby members may pay their electric bill in monthly installments.

AVAILABILITY: Availability to all Big Sandy Rural Electric Cooperative residential members who have received service at their present location for (1) year, and a zero account balance when the request is made.

TERMS OF LEVELIZED BUDGET BILLING:

1. A member who qualifies may be placed on or removed from levelized budget billing in any month of the year. However any member's electric bill must be current to be enrolled in the plan.
2. This is a continuous plan with no catch up month. As stated by 807 KAR 5:006 Section 13, the member's account will be adjusted through a series of levelized adjustments on a monthly basis to bring the member's account current once each (12) month period. Upon disconnection or removal from levelized budget billing, all accumulated debits shall become due and payable at this time. Upon disconnection of service, any credits shall be refunded to the member. Upon removal from the plan, any credits shall be applied to the member's active account.
3. The levelized budget billing must be paid by the normal due date each month.
4. The cooperative may cancel the levelized budget plan for accounts delinquent more than (2) in a (12) month period and any non-payments.
5. A member must sign a levelized budget billing plan agreement.

CALCULATIONS FOR MONTHLY BILLING

1. Each billing will be based on the past eleven (11) months kilowatt hour usage, and the current month kilowatt hours usage shall be added to provide a moving average based on twelve months kilowatt hour usage. In addition, a series of monthly levelized adjustments will be calculated and added to the average amount. The monthly adjustment will be one-twelfth (1/12) of the unpaid balance. No adjustment will be calculated for a credit balance.
2. Each succeeding month the oldest month's usage shall be dropped and the current month's usage added.
