Re: Proposed Boundary Between AT&T Kentucky's Richmond and Windstream's
Berea Exchanges

Dear Mr. Derouen:

Please find attached a revised tariff filing from Kentucky Tariff 2A, Exchange Service Area Maps, in which we propose to change the boundary between the AT&T Kentucky Richmond and Windstream Berea exchanges, to be effective April 5, 2012. Enclosed is a copy of the current Richmond Exchange map with the proposed change penciled in red.

A new home was constructed at 680 Moran Summit Road, Richmond, in an unserved area on the boundary between Richmond and Berea. Engineers for both companies met at the site and determined that AT&T would serve this customer. Windstream does not have any facilities in the immediate area and AT&T is serving three nearby residences.

If there are any questions regarding this matter, please call Pam Jagers at 502-582-8643.

Sincerely,

Mary Pat Regan
