Dear Mr. Derouen:

Please find attached a revised tariff page of Section A3 of the General Subscriber Services Tariff, which removes tariff language reflecting that the Telecommunications Access Program will be reduced to one cent on July 1, 2010. The Telecommunications Access Program remains funded at two cents per access line per month from subscribers of telecommunications utilities pursuant to KRS 278.5499, Section 10, as amended during the 2010 state budget process. The amendment can be referenced at <http://www.lrc.ky.gov/record/10SS/HB2/bill.doc>.

If there are any questions concerning this change, please call Joan Duncan at 502-582-8416.

Very truly yours,

Mary Pat Regan
