Re: Update Rules and Regulations Residential Deposit

Dear Mr. Derouen:

Find attached an updated Sheet 38 of our Rules and Regulations concerning residential deposits. Included is the old sheet with lines marked for deletion and the new sheet with lines marked for the new text. We are requesting to move away from our current \$200 equal residential deposit amount that was based on 2/12 of the average residential bill, to a calculated 2/12 deposit for each residential customer. We are using the same formula just applying it to the actual usage, if available or to a similar premise if actual usage is not available.

If you have any questions about this filing, please feel free to contact me.

Very truly yours,

Robert Tolliver  
Office Manager
