Fire Departments.

Any city, county, urban-county, charter county, fire protection district, or volunteer fire protection district ("User") may withdraw water from the utility's water distribution system for fighting fires or training firefighters at no charge on the condition that it maintains estimates of the amount of water used for fire protection and training during the calendar month and reports the amount of this water usage to the utility no later than the 15th day of the following calendar month.

Any User that withdraws water from the utility's water distribution system for fire protection or training purposes and fails to submit the required report on water usage in a timely manner shall be assessed the cost of this water. A User shall submit a monthly report even if it withdraws no water for fire protection or training purposes.

A non-reporting User's usage shall be presumed to be 0.3 percent of the utility's total water sales for the calendar month. A non-reporting User may present evidence of its actual usage to rebut the presumed usage. The utility shall consider this evidence and shall adjust the presumed usage amount accordingly.

The non-reporting User shall be billed for this usage at the lowest usage block rate regardless of customer classification that the utility charges.

A non-reporting User shall also be assessed a penalty of \$ 25.00 for each failure to submit a report in a timely manner.

F. Legal Disclaimers

1. For purposes of fire protection, including any customer's fire protection system, Barkley Lake Water District cannot guarantee a water supply at any particular flow rate or pressure. The District's flow or pressure may vary depending on the system's demands or other circumstances. All parties will indemnify and hold harmless the District and its employees from and against all claims, damages, losses, and expenses incurred as a result of insufficient water supply or deficient system facilities. The District's system is not designed nor intended for fire protection in any manner whatsoever. Any party using same for fire protection does so at their own full and sole responsibility.
2. The Utility shall in no event be held responsible for any claims made against it for reasons of system failure or interruption of service. No person shall be entitled to damages or for any portion of a payment refunded for any system failure or interruption of service which is deemed necessary.
3. No person shall maliciously, willfully, or negligently break, damage, destroy, uncover, deface, or tamper with any structure, appurtenance or equipment which is a part of the Utility's water system. Any person violating this provision will be subject to discontinuance of water service and shall be assessed the cost of repairing or replacing the Utility's facilities.
4. If any loss or damage to the property of the Utility or any accident or other injury to persons or property is caused by or results from the negligence or wrongful action of a customer, members of his/her household, his/her agent or employee, then the cost of necessary repairs or replacements shall be paid by the customer of the Utility and any liability otherwise resulting shall be that of the customer.

G. Fast or Slow Reading Meters

- a) If upon periodic test, requested test, or complaint test, a meter in service is found to be more than two (2) percent fast, additional tests will be made to determine the average error of the meter. The tests will be made in accordance with Public Service Commission rules and regulations applicable to the type of meter involved.
- b) If test results on a customer's meter show an average error greater than two (2) percent fast or slow, or if a customer has been incorrectly billed for any other reason, except in an instance where the District has filed a verified complaint with the appropriate law enforcement agency alleging fraud or theft by a customer, the District will immediately determine the period during which the error has existed, and will re-compute and adjust the customer's bill to either provide a refund to the customer or collect any under-billed amount.
- c) The District will readjust the account based upon the period during which the error is known to have existed. If the period during which the error existed cannot be determined with reasonable precision, the time period will be estimated. In all instances of customer over-billing, the customer's account will be credited or the over-billed amount refunded at the discretion of the customer within thirty (30) days after final meter test results. The District will not require customer repayment of any under-billing to be made over a period shorter than a period coextensive with the under-billing.

J. Utility Initiated Termination of Service - Exceptions

The District will not terminate service to a customer if the following conditions exist:

1. If payment for services is made. Service will not be terminated to a customer that was sent a termination notice if the customer delivers full payment to the District prior to the actual termination of service.
2. If a partial payment agreement is in effect. Service will not be terminated for nonpayment if the customer and the District have entered into a partial payment plan and the customer is meeting the requirements of the plan.
3. If a medical certificate is presented. Service will not be terminated for thirty (30) days beyond the termination date if a physician, registered nurse or public health officer certifies in writing that termination of service will aggravate a debilitating illness or infirmity on the affected premises. The District may refuse to grant consecutive extensions for medical certificates past the original thirty (30) days unless the certificate is accompanied by an agreed partial payment plan. The District will not require a new deposit from a customer to avoid termination of service for a thirty (30) day period who presents to the District a medical certificate certified in writing by a physician, registered nurse or public health officer.

K. Emergency Termination of Service

If a dangerous condition relating to the District's service which could subject any person to imminent harm or result in substantial damage to the property of the District or others is found to exist on the customer's premises the service will be terminated immediately.

L. Access to Property

The customer shall allow the District at all reasonable hours access to meters, service connections, and other property owned by it and located on customer's premises for purposes of installation, maintenance, meter reading, operation, replacement or removal of its property at the time service is terminated.

M. Service Connections

1. The connection between the distribution main and the customer's premises, including the meter and meter box, shall be furnished by and installed at the expense of Barkley Lake Water District, which will recoup this expense by assessing the customer a charge approved by the PSC.
2. All taps and connections to the mains of Barkley Lake Water District must be made by or under the direction and supervision of the District.
3. In areas where the distribution system follows well-defined streets and roads, the customer's point of service shall be located at that point on or near the street right-of-way or property line most accessible to Barkley Lake Water District from its distribution system.
4. In areas where the distribution system does not follow streets and roads, the point of service shall be located as near the customer's property line as practicable. Prior to installation of the meter, Barkley Lake Water District shall consult with the customer as to the most practical location.
5. Barkley Lake Water District will own and be responsible for the maintenance of all meters and reserves the right to approve the size and type of meter used.
6. Barkley Lake Water District strictly prohibits a cross connection of its system with any other source.
7. Barkley Lake Water District requires a visual inspection by the district personnel of any connection before being covered. Barkley Lake Water District may substitute its inspection with an inspection by the appropriate state or local plumbing inspector, if proof of inspection is presented to Barkley Lake Water District by the customer.

N. Service Lines

1. The service line is the pipe from the outlet side of the water meter to the point of usage. The applicant/customer owns and is responsible for the service line from the outlet side of the water meter (or point of service) to the point of usage, must furnish and lay the necessary pipe of the service line, and is financially responsible for all costs associated with the installation and maintenance of the service line plumbing.
2. The service line shall be laid at least thirty (30) inches in depth, shall not be less than three-fourths (3/4) inch in size, and shall be installed, maintained, and repaired in accordance with all applicable statutes, regulations, and codes.
3. The service line trench shall be left open and the pipe uncovered to allow the District to visually inspect the connecting line. Barkley Lake Water District may substitute for its inspection an inspection by the appropriate state or local plumbing inspector, if proof of that inspection is presented to the District by the applicant/customer.
4. If the applicant/customer has a point of usage at a higher elevation than the meter, he/she shall consult with an engineering firm to properly size the service line from the meter to the point of usage.
5. If the applicant/customer desires a higher than normal pressure, he/she shall make provisions for an individual pressure booster system for the service line, subject to approval by Barkley Lake Water District. Barkley Lake Water District reserves the right to require discontinuance and disconnection should the private booster system have a detrimental effect on the Barkley Lake Water District's system.
6. If the applicant/customer has boilers and/or pressure vessels that receive water from the District, he/she shall provide a check valve on the water supply line and a vacuum valve on the steam line in order to prevent a collapse were the water supply from Barkley Lake Water District be interrupted or discontinued.
7. If the applicant/customer has used or is using a well, he/she shall provide Barkley Lake Water District access to perform an inspection to verify the well is properly separated from the system.

Once the final bill and/or penalties have been satisfied, any remaining amount of deposit will be refunded to the customer. All payments are due the 15th day of the month. Penalties are accrued upon opening the next business day, not before the 16th day of the month. Non-payment of an account by the 26th day of the month will result in discontinuance of water service by physically locking the meter. **Customers must install and maintain a cut off valve for their use between the meter and their dwelling. The cut off valve on the meter is not to be used by the customer, as continuous usage will result in eventual failure of the valve. Meter readings are now processed by a radio read meter system and are costly to repair. Any damage an installed radio read meter sustains will result in a charge to the customer. Tampering with meter, service, or valves constitutes disconnection of service and is considered a felony.**

I, _____ request that BARKLEY LAKE REGIONAL WATER DISTRICT debit my account each month for payment of my water bill utilizing the automatic draft process. I understand this procedure will not take effect until the following month and that it is my responsibility to notify the district one month in advance when I wish to discontinue this service.

I agree to supply BARKLEY LAKE REGIONAL WATER DISTRICT, with a voided check to be used solely for the purpose of setting up my automatic draft account. No other means of account identification will be accepted.

I understand that any returned drafts presented back to the district for nonpayment will be subject to a \$35.00 fee. Should your bank draft be returned, the automatic draft payment option will be discontinued until the account has been cleared. It will be the customer's responsibility to contact the district to make arrangements to continue the automatic draft payment option on the account.
