RE: Case No. 2015-00351

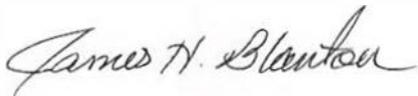

Dear Mr. Derouen:

Big Sandy Water is proposing to transition the former Overland customers to the Big Sandy tariff with the exception of the monthly usage rates. The rules, regulations, and non-recurring charges included in the Big Sandy's tariff have been accepted by the Commission. Big Sandy employees will now be the ones performing the services (ie. reconnects, service calls, etc.).

Sheet 16 removes the after-hours service line inspection charge from the tariff and Sheet 17 removes the Contract D-D meter connection/tap-on charges from the tariff since these are no longer applicable.

If you have any questions, please call (606) 928-2075.

Sincerely,

James H. Blanton  
Manager
