Dear Mr. Derouen:

We enclose for filing, pursuant to 807 KAR 5:011, Sections 2, 5 and 13, one redacted copy of a Special Contract for Firm Gas Sales Service and Firm Transportation Service dated April 9, 2014, between Louisville Gas and Electric Company, on behalf of its Gas Distribution Business, and Louisville Gas and Electric Company and Kentucky Utilities Company, on behalf of their Electric Generation Businesses.

Pursuant to KRS 61.878 and 807 KAR 5:001, Section 13, Louisville Gas and Electric Company and Kentucky Utilities Company request confidential protection for information contained in Appendices A, C, E and F to the Special Contract regarding operational parameters of certain generating stations, including delivery pressures and rates and quantities of consumption; business terms relating to notice, usage limitations and waiver; gas balancing procedures; and operational notice of the consumption of gas. Disclosure of this information would place the Companies at a competitive disadvantage with other entities that compete in the market for the sale and purchase of natural gas supplies and related transportation services as well as in the market for the sale and purchase of electricity. Thus, the information is protected from disclosure by KRS 61.878(1)(c)(1). Due to the commercially sensitive nature of the information and because the Special Contract has an automatic renewal provision, Louisville Gas and Electric Company and Kentucky Utilities Company request that the information be afforded confidential protection for perpetuity.

In accordance with 807 KAR 5:001, Section 13(3)(a)(3), the Companies have included in a separate sealed envelope marked confidential, one copy of the foregoing Appendices to the Special Contract in paper medium which identifies by highlighting those portions which unless redacted would disclose confidential information.

Sincerely,

A handwritten signature in black ink that reads "Allyson K. Sturgeon". The signature is fluid and cursive, with a long horizontal flourish extending to the right.

Allyson K. Sturgeon

Enclosure
