Re: Louisville Gas and Electric Company  
Natural Gas of Kentucky, Inc.

Dear Mr. Derouen:

We enclose for filing, pursuant to 807 KAR 5:011, Sections 2, 5 and 13, a Special Contract for Natural Gas Service dated May 13, 2014, between Louisville Gas and Electric Company and Natural Gas of Kentucky, Inc. (NGK). Please note that NGK will also be making a separate filing in connection with this matter, including a Special Contract with its customer, Scotty's Contracting & Stone, LLC, and that both contracts should be considered at the same time. Thank you in advance for your assistance.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Gregory Cornett', is written over a light blue horizontal line.
