RE: South Kentucky RECC Addition of LED Outdoor Lighting

Dear Mr. Derouen:

Please find attached for electronic tariff filing South Kentucky RECC's revised Schedule STL, DSTL and OL to allow offering of LED Outdoor Lighting to the existing tariffs. Supporting information for the development of the suggested lighting rates has been included as Exhibit A – Explanation of the Development of Rates and Exhibit B – Rate Calculations.

The revision to the Schedule DSTL also includes the elimination of three light configurations that are not in use and are no longer offered by the Cooperative.

Pursuant to KRS 278.180, South Kentucky Rural Electric Cooperative Corporation must give at least 30 days' notice to the Commission. Therefore, the proposed effective date of this program will be December 3, 2015. Pursuant to 807 KAR 5:011, South Kentucky has posted the requisite notice at its office located at 925-929 North Main Street, Somerset, Kentucky and will post the requisite notice on its Web site, no later than five (5) business days from today's date, which will include a hyperlink to the Commission's Web site where the tariff can be found. Pursuant to 807 KAR 5:011, Section 8, South Kentucky provided notice of this proposed tariff to its end-use members by publishing same in Kentucky Living magazine on November 2, 2015.

Please contact me if you have questions.

Respectfully,

Allen Anderson
President & CEO
