How Your Charges are Billed

Your bill includes two types of service charges:

1. Regulated Service Charges – Charges for basic telephone service such as dial tone line and local usage, local exchange services such as Call Waiting and Call Forwarding, Federal Subscriber Line Charge, Federal Universal Service Fund Surcharge, and associated services and installation charges that are regulated by the State Corporation Commission. Failure to fully pay these charges as well as the charge for basic bundled service may result in the disconnection of the service and/or your dial tone.

2. Non-Regulated Charges – Charges for services such as Long Distance Toll, Voice Mail, Broadband services, DirecTV, and other services not regulated by the State Corporation Commission.

Past Due Balances Current Charges Totals

Regulated .00*

* State regulations require BEAVER TELECOM LLC to identify which charges you must pay to ensure that your basic local telephone service is not suspended. To avoid suspension of your telephone services, you must pay any past due balances immediately.

Your local exchange services, including basic telephone service or a basic bundle may not be disconnected for failure to pay other services such as Caller ID or Voice Mail. However, nonpayment of such services may result in their disconnection and the loss of any stored messages.
