Mr. Brent Kirtley, Tariff Branch Manager

Re: Cebridge Telecom KY, LLC d/b/a Suddenlink Communications Revisions to Kentucky Access Service Tariff No. 1, Compliance Filing Per FCC 11-161 and Request for Expedited Approval under KRS 278.180(2)

Dear Mr. Kirtley:

Please accept for filing the attached revised pages of the intrastate switched access tariff of Cebridge Telecom Limited, LLC d/b/a Suddenlink Communications (the "Company"), as required by the FCC's ICC/USF Reform Order, FCC 11-161.

The attached revised tariff pages reflect the Company's reduction of terminating switched end office rates and other rate elements in a manner that mirrors the incumbent local exchange carrier's rates in those areas where the Company operates. This filing, which contains tariff revisions to become effective on July 1, consists of the following revised tariff pages:

Pages 44-53 (First Revised)

As reflected on the attached revised tariff pages, effective July 1, 2014, the Company's rates for certain end office terminating rate elements, and other rate elements, will concur with, and incorporate by reference, the rates set forth in the Company's interstate switched access tariff on file with the FCC. Copies of the Company's FCC tariff are available upon request, or also via the FCC's website.

Because these rates are being filed to comply with the FCC's Order and required the Company to mirror rates recently filed by incumbent providers, the Company requests these

revised pages be approved as effective on an expedited basis. KRS 278.180(2) permits a rate reduction to take effect within less time that would otherwise be required by the statute or Commission regulations.¹

Please date stamp as received the attached stamp & return copy and return that to me in the enclosed envelope. Should you have any questions regarding this filing, please contact the undersigned at 202-973-4287.

Very truly yours,

The FCC's prescriptive requirements for CLEC rate reductions are good cause for expedited approval.
