RE: Formal Application for Tariff Revisions to increase certain Non-recurring Charges

This is an application to revise certain non-recurring charges for the Breathitt County Water District, 1137 Main Street, Suite 305, Jackson, KY 41339. Attached is the non-recurring charge cost justifications and proposed tariff sheets.

The District is not requesting a water rate increase at this time. However, increased costs attributable to these non-recurring charges can no longer be absorbed by the District. The customers affected by these increases will be the customers that cause the District to incur these additional expenses.

The additional revenue generated from the proposed tariff revisions does not exceed by five (5) percent the total revenues provided by all miscellaneous and non-recurring charges for a recent twelve (12) month period.

The District has previously filed income statements and balance sheets with the Public Service Commission that are currently on file with the Commission.

The District will publish the enclosed public notice of the requested rate revisions in the local newspaper for three consecutive weeks. The first notice has already been published and the newspaper ad is enclosed. We will follow up with an affidavit from the newspaper verifying that the notice was published for three consecutive weeks.

A copy of this application and related filings has been sent to the Attorney General's Office of Rate Intervention, 1024 Capital Center Drive, Suite 200, Frankfort, KY 40601-8204.

Sincerely,

Bobby Thorpe,
Chairman
