Re: City of Harrodsburg

Dear Mr. Derouen:

Enclosed please find the notice and rate sheet for the City of Harrodsburg regarding Kentucky increases in rates to Lake Village Water Association and North Mercer Water District.

Both entities have agreed verbally to these increases. The city has embarked upon a \$12,000,000 water plant expansion to increase capacity by two million gallon-per-day. This rate increase only partially meets the Rural Development specified rates in their letter of conditions. The anticipate effective date is August 26, 2010.

I would like to thank Brent Kirtley for his assistance with this matter.

Sincerely,

Ed Music
