Dear Mr. Derouen:

Please consider this official notice that the City of Ashland proposes to adjust its wholesale water rate for service provided to Big Sandy Water District. Therefore, the rate would increase from \$2.83 / thousand gallons to \$2.96 / thousand gallons. The change would become effective for all flow through the meter on or after January 1, 2016.

Enclosed is (1) a proposed tariff sheet with an effective date of January 1, 2016 and (2) a copy of the letter and notice to Big Sandy Water District.

Please contact me should you have any questions regarding this filing.

Sincerely;
