RE: Wholesale Water Rate

Dear Mr. Blanton:

Enclosed is the notice of the water rate schedule change by the City of Louisa to the Big Sandy Water District. We are submitting this notice simultaneously to the Kentucky Public Service Commission. The City is proposing to charge the new rate effective June 1, 2011.

The rate has been adjusted as allowed by the City Ordinance. The ordinance allows the Water and Sewer Commission to adjust rates twice a year based on the consumer price index. Per the Bureau of Labor Statistics, water, sewer, and garbage cost increased 1.2 percent over the past six months.

The City looks forward to continuing its mutually beneficial relationship with Big Sandy Water District.

Sincerely,

Teddy Preston
Mayor
