Mr. Jeff Derouen  
Executive Director  
Kentucky Public Service Commission  
211 Sower Boulevard  
P. O. Box 615

Dear Mr. Derouen:

Attached for filing with the Commission are revised pages of the Access Services and Network Interconnection Services Tariff of AT&T Communications of the South Central States, LLC to be effective July 31, 2012. The revisions can be found on Section 2, First Revised Page 19.1, First Revised Page 19.2, Original Page 19.2.1, First Revised Page 19.3, First Revised Page 19.4, and Original Page 19.4.1.

On April 25, 2012, the FCC released a Second Order of Reconsideration (USF/ICC Transformation Order in WC Docket No. 10-90, etc.), which becomes effective July 13, 2012. One aspect of the Second Order states that beginning July 13, 2012, the FCC is delaying the interstate rate treatment of originating intrastate interexchange VOIP-PSTN traffic MOU until July 1, 2014, (the treatment of terminating VOIP will continue to be billed at interstate rates as stated in the initial order). This filing addresses the Second Order of Reconsideration.

Should you have any questions or need additional information, please contact Joan Duncan, 502/582-8416.

Very truly yours,

Mary Pat Regan
