21300 Edmonson County Water District 01/01/2022 - 12/31/2022

Major Water Projects

Provide details about each major water project which is planned but has not yet been submitted for approval to the Public Service commission.

For the limited purpose of this report, a "Major Project" is defined as one which is not in the ordinary course of business, and will increase your current utilityplant by at least 20 percent.

Brief Project Description: (improvement, replacement,building construction, expansion. If expansion, provide the estimated number of new customers):

This project consists of a new 2.9MGD raw water intake and water treatment plant (WTP) in the Wax area of the Edmonson County Water District (ECWD) to replace the existing 1.0MGD facilities. This expansion will provide for continued reliable operation and will improve service to over 4,000 households. The project will also include approximately 26,200 LF of 16" and 15,450 LF of 12" new water lines to replace currently undersized 6" and 8" water lines along with upgrades to existing booster pumping stations to increase pumping capacities to meet the increasing customer demands in the service area. The WTP will include a minimum 1MG water storage tank to allow for finished water pumping to refill existing storage tanks without the WTP in operation in order to improve operator utilization efficiency.

Projected Costs and Funding Sources/Amounts:

Total Project Funding Needed: \$43,800,000.00 Applied for KIA Grant and Loan

Approval Status: (Application for financial assistance filed, but not approved; or application approved, but have not advertised for construction bids)

Application for financial assistance filed, but not approved.

Location: (community, area or nearby roads)

Hart County-adjacent to Harborview Village on Nolin Lake
