On February 13, 1992, Telenational Communications Limited Partnership ("Telenational") filed its application with the Commission seeking a Certificate of Public Convenience and Necessity to provide intrastate, long-distance telecommunications services as a reseller within the Commonwealth of Kentucky.

Telenational is a Nebraska limited partnership proposing to resell the services of Allnet Communications Services, Inc., AT&T Communications of the South Central States, Inc., US Sprint Communications Company, and WilTel, Inc. Telenational is not seeking authority to provide any operator-assisted telecommunications services.

Telenational employs no transmission or reception telecommunications equipment or facilities in the performance of its services and all operating facilities, equipment and networking will be provided by the underlying carrier. Telenational will not construct any new facilities in the Commonwealth of Kentucky.

In Telenational's March 30, 1992 response to the Commission's March 12, 1992 Order, it informed the Commission that money had been collected for non-certified service. This violation was resolved in Case No. 92-173¹ by Commission Order dated May 27, 1992.

The application provided by Telenational demonstrates its financial, managerial, and technical capability. The rates proposed should be approved as the fair, just, and reasonable rates to be charged.

The Commission, having considered the application, the information provided by Telenational, and being otherwise sufficiently advised, HEREBY ORDERS that:

1. Telenational be and it hereby is granted authority to provide intrastate, long-distance telecommunications services within the Commonwealth of Kentucky on and after the date of this Order.

2. Telenational shall comply with the provisions of the Orders in Administrative Case No. 323.²

3. Telenational's authority to provide service in this Commonwealth is strictly limited to those services described in this Order and Telenational's application.

¹ Case No. 92-173, Telenational Communications Limited Partnership - Alleged Violation of KRS 278.020 and KRS 278.160.

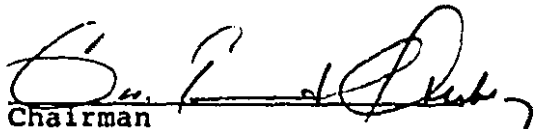

² Administrative Case No. 323, An Inquiry Into IntraLATA Toll Competition, An Appropriate Compensation Scheme for Completion of IntraLATA Calls by Interexchange Carriers, and WATS Jurisdictionality, Phase I, Order dated May 6, 1991.

4. The rates and charges proposed by Telenational are hereby approved, as filed on February 13, 1992.

5. Within 30 days from the date of this Order, Telenational shall file its February 13, 1992 tariff sheets without modifications in accordance with 807 KAR 5:011 to conform to the restrictions and conditions of service contained herein.

Done at Frankfort, Kentucky, this 6th day of July, 1992.
