TRADING AREA [LODER CREEK FACILITY])

O R D E R

On September 1, 1999, the Commission entered an Order that directed SprintCom to produce certain documents and evidence concerning its application for the issuance of a certificate to construct a facility at its Loder Creek site. Pursuant to that Order, a hearing was held on November 19, 1999 at which SprintCom did not present or pre-file testimony as to its attempts to collocate the facility. SprintCom admitted it was having difficulty obtaining witnesses and was unable to pre-file its testimony. SprintCom was given until March 17, 2000 in which to file its testimony.

On March 17, 2000, SprintCom filed testimony and requested that a hearing date be scheduled. On March 27, 2000, Arlinghaus Builders, Inc., Phil Duncan Builder, Inc., Phil Duncan and Janet Duncan ("Intervenors") filed a motion requesting that SprintCom identify the specific location of tower #237 and that the Intervenors be given 60 days to conduct their own analysis in preparation for any hearing.

On April 17, 2000, SprintCom filed information to identify the location of the tower. Accordingly, the Intervenor's time to conduct their analysis will expire on June 16, 2000.

The Commission having considered the record herein and being sufficiently advised, HEREBY ORDERS that:

1. On or before June 30, 2000, the Intervenor shall pre-file testimony concerning their analysis of the suitability of collocation on the Cinergy tower within the search ring for the Loder Creek site.

2. A hearing on the issue of the efforts of SprintCom to determine the suitability of collocating on the Cinergy towers within the search ring for the Loder Creek site shall be held on July 13, 2000 at 9:30 a.m., Eastern Daylight Time, in Hearing Room 2 of the Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky.

Done at Frankfort, Kentucky, this 11th day of May, 2000.
