COMMISSION STAFF'S NOTICE OF EXTENSION OF TIME

On January 6, 2006, Commission Staff sent an initial data request in these cases to Louisville Gas and Electric Company and Kentucky Utilities Company ("Applicants"), requesting that responses be filed with the Commission on or before January 13, 2006, with a copy to all parties of record. On January 13, 2006, the Applicants telephoned a request for an extension of time to produce the requested data and maps. Applicants explained that they need additional time as they have run into minor difficulties in producing the information in the format requested by Staff. The Applicants stated that they could produce the response by January 20, 2006.

Commission Staff therefore issues this notice extending the date for response to the January 6, 2006 data request to January 20, 2006.
