O R D E R

Pursuant to Administrative Regulation 807 KAR 5:056, the Commission, on July 6, 2006, established this case to review and evaluate the operation of the fuel adjustment clause ("FAC") of Jackson Energy Cooperative ("Jackson Energy") for the 6 months ended April 30, 2006.

As part of this review, the Commission ordered Jackson Energy to submit certain information concerning its compliance with Administrative Regulation 807 KAR 5:056. Jackson Energy has complied with this Order. The Commission further ordered that a public hearing be held in this case but cancelled it when, after publication of notice, no interested party advised the Commission of its intention to attend.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds no evidence that Jackson Energy has improperly calculated or applied its FAC charge.

IT IS THEREFORE ORDERED that the charges and credits applied by Jackson Energy through the FAC for the period November 1, 2005 through April 30, 2006 are approved.

Done at Frankfort, Kentucky, this 8<sup>th</sup> day of November, 2006.
