O R D E R

On December 21, 2007, BellSouth Telecommunications, Inc. d/b/a AT&T Kentucky ("AT&T Kentucky") provided written notice to the Commission of its intent to disconnect Amerimex Communications Corp. ("Amerimex") for non-payment of bills.

AT&T Kentucky requests authorization to invoke the Emergency Service Continuity Tariff approved by this Commission on May 20, 2003 in Case No. 2002-00310.¹ Invoking this tariff is necessary only if Amerimex has not notified its end-users of the service disconnection. If the Emergency Service Continuity Tariff is invoked, AT&T Kentucky will continue to provide telephone service to Amerimex's customers for a minimum of 14 days after Amerimex ceases to operate. AT&T Kentucky has notified the Commission that disconnection of Amerimex will affect fewer than 50 Kentucky customers.

The Commission, having reviewed AT&T Kentucky's notice and having been otherwise sufficiently advised, HEREBY ORDERS that:

¹ Case No. 2002-00310, Customer Billing and Notice Requirements for Wireline Telecommunications Carriers Providing Service in Kentucky.

1. Amerimex shall notify the Commission within 7 calendar days of the date of this Order of its intent to pay the delinquent bill to AT&T Kentucky within 10 days of the date of this Order or, in the alternative, of its intent to notify its end-users of the proposed service disconnection. Such written comments shall include a copy of Amerimex's customer notice and an affidavit indicating when the notice was mailed and the number of Kentucky customers to whom it was mailed.

2. A copy of AT&T Kentucky's notice of intent to disconnect Amerimex is attached hereto and incorporated herein.

3. If Amerimex has not responded as prescribed in Ordering Paragraph 1 within 7 calendar days of the date of this Order, AT&T Kentucky shall implement the procedures established in its Emergency Service Continuity Tariff.

4. A copy of this Order shall be sent by certified mail to Amerimex.

Re: Case No. 2007-

Dear Ms. O'Donnell:

AT&T is providing advance notice to the Kentucky Public Service Commission (PSC) of AT&T's intent to disconnect Amerimex Comm Corp (Amerimex) for non-payment.¹ AT&T's records indicate that Amerimex is delinquent in payment of its bills to AT&T.

Attempts to collect past due amounts from Amerimex have been unsuccessful. AT&T made numerous written notifications to Amerimex informing them of AT&T's intent to suspend or terminate services consistent with the terms and conditions of the Interconnection Agreement between Amerimex and AT&T. As of today, AT&T has received no payment from Amerimex and we seek to begin discontinuance of services immediately. Disconnection of Amerimex's services will affect fewer than 50 Kentucky customers

Under terms of their Resale Agreement, Amerimex is solely responsible for notifying its end users of the proposed service disconnection. AT&T is copying Amerimex to remind them of their obligations to notify their end users of this situation regarding pending disconnection of services.

Should the Commission determine the need to invoke AT&T's Emergency Service Continuity Tariff, AT&T will take steps to notify the affected end users and inform them that they may continue to receive telecommunications services through The Emergency Services Continuity Plan for a minimum of fourteen (14) days and that the end user must transition to a new service provider.
