

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

FUNDING FOR THE TELECOMMUNICATIONS) CASE NO.
RELAY SERVICE) 2017-00358

ORDER

On September 14, 2017, the Commission issued an Order in this proceeding requiring that the Telecommunications Relay Service ("TRS") fund surcharge be reduced by one cent (\$0.01) to one cent (\$0.01) per month effective January 1, 2018. In addition, the Commission established a deadline to receive comments regarding a frequency schedule for the Commission to review the TRS fund and related surcharge in the future. The Commission received no comments.

The Commission finds that it will conduct a formal review of the TRS fund and the surcharge on an annual basis. Annual reviews of the TRS fund should reduce the potential for large balance shortfalls and overages. Annual reviews will commence approximately 120 days from the end of the calendar year, with the goal of implementing any changes on the first day of the following calendar year. The goal would also be to issue an order within 60 days of the initiation of the annual review so that providers will have ample time to implement any changes, if ordered. These annual formal reviews would be in addition to ongoing monitoring and would not prevent the Commission from making any changes in the interim period.

IT IS THEREFORE ORDERED that:

1. The Commission annually will conduct a formal review of the TRS fund to determine if a change in the surcharge is warranted.
2. This case is closed and removed from the Commission's docket.
