## AMENDMENT TO THE AGREEMENT BETWEEN MOMENTUM BUSINESS SOLUTIONS, INC. AND

## BELLSOUTH TELECOMMUNICATIONS, INC. DATED MAY 5, 2000

Pursuant to this Amendment, (the "Amendment"), Momentum Business Solutions, Inc. ("Momentum Business Solutions"), and BellSouth Telecommunications, Inc. ("BellSouth"), hereinafter referred to collectively as the "Parties," hereby agree to amend that certain Interconnection Agreement between the Parties dated May 5, 2000, ("Agreement").

WHEREAS, BellSouth and Momentum Business Solutions entered into the Agreement on May 5, 2000, and;

NOW THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby covenant and agree as follows:

- 1. The Parties agree to delete Sections 5.6.2.3 and 5.6.2.4 of the Loop/Port Section of Attachment 2, in their entirety and replace with a new Section 5.6.2.3 and 5.6.2.4, and the parties agree to add the associated rates as Attachment 2, Exhibit B attached hereto and incorporated herein by reference:
  - 5.6.2.3 In all states other than Georgia and Tennessee, except in those locations where BellSouth is not required to provide unbundled circuit switching, as set forth in Sections 5.6.1.1 and 5.6.1.2, BellSouth shall provide to Momentum Business Solutions combinations of port and loop network elements that are not Currently Combined. The rate for such combinations shall be the market based rates set forth in Exhibit B of this amendment.
  - 5.6.2.4 In those locations where BellSouth is not required to provide unbundled circuit switching, as set forth in Sections 5.6.1.1 and 5.6.1.2, BellSouth shall provide to Momentum Business Solutions combinations of port and loop network elements whether or not such combinations are Currently Combined. The rates for Currently Combined combinations are the market based rates as set forth in Exhibit D. The rates for not Currently Combined combinations are the market based rates as set forth in Exhibit B of this amendment.
- 2. All of the other provisions of the Agreement, dated May 5, 2000, shall remain in full force and effect.

3. BellSouth shall submit this Amendment to the respective state regulatory authorities for approval subject to Section 252(e) of the Federal Telecommunications Act of 1996.

IN WITNESS WHEREOF, the Parties hereto have caused this Amendment to be executed by their respective duly authorized representatives on the date indicated below.

	UNBUNDLED PORT LOOP COMBINATIONS - MARKET RATES														
	Market Rates shall apply where BellSouth is not required to provide unbundled local switch	ng or switch po	rts per	FCC and	or State	Commission ru	les.								
	These scenarios include:														
	1. Unbundled port/loop combinations that are Not Currently Combined in all of the BellSou	h states excep	as not	ed for Ge	orgia and	Tennessee.									
	Unbundled port/loop combinations that are Currently Combined or Not Currently Combined     The Top 8 MSAs in BellSouth's region are: FL (Orlando, Ft. Lauderdale, Miami); GA (Atlant BellSouth currently is developing the billing capability to mechanically bill the recurring unit.	a); LA (New Orl	eans);	NC (Gree	ensboro-W	inston Salem-l	Highpoint/Charlotte-Gastonia-R	ock Hill); TN	(Nashville).						
													1 of the Top 8	MSAs
