RE: *Interconnection Agreement By and Between Mountain Rural Telephone Cooperative Corporation, Inc. and Sprint Communications Company L.P.*
Docket No. _____

Dear Ms. Wainscott:

In accordance with Section 252(e) of the Telecommunications Act of 1996 ("Act") and the Commission's procedures for review of interconnection agreements, Sprint Communications Company L.P. ("Sprint") and Mountain Rural Telephone Cooperative Corporation, Inc. now file with the Commission their interconnection agreement.

Pursuant to the Act, the Commission must approve or reject the parties' interconnection agreement within 90 days of filing. Under Section 252(e)(2)(A), the Commission may only reject an agreement if it finds that the agreement in whole or in part discriminates against a carrier not a party to the agreement, or if the implementation of the agreement in whole or in part is inconsistent with the public interest. Neither reason exists as to this agreement; accordingly, the Commission should approve the agreement.

Enclosed please find for filing an original and one (1) copy of this letter and attachments and a compact disk with an electronic copy of this filing. Please date stamp as received and return the copy to me in the enclosed stamped, self-addressed envelope. Please call me at (404) 649-0003 if you should have any questions regarding this matter.

Sincerely,

Douglas C. Nelson

This Interconnection Agreement ("Agreement") is made effective as of the date of the last signature on the Agreement by and between Mountain Rural Telephone Cooperative Corporation, Inc. ("ILEC"), a Kentucky corporation with offices at 405 Main St., P.O. Box 399 West Liberty KY, 41472 and Sprint Communications Company L.P. ("Sprint") a Delaware limited partnership with offices at 6160 Sprint Parkway, Overland Park, KS 66251. ILEC and Sprint may also be referred to herein singularly as a "Party" or collectively as the "Parties."

BACKGROUND

The Parties are entering into this agreement under Sections 251 and 252 of the Communications Act of 1934 as amended by the Telecommunications Act of 1996 (the "Act").

ILEC is an incumbent local exchange carrier and Sprint is a telecommunications carrier.

The Parties are entering into this Agreement to set forth the respective obligations of the Parties and the terms and conditions under which the Parties will interconnect their networks and provide other services as required by the Act and applicable law.

The Parties wish to interconnect their networks for the purposes of transport and termination of Local Traffic and exchange access.

In consideration of the mutual obligations set forth below, the Parties agree to the following terms and conditions:

1. Term of Agreement
 - 1.1. This Agreement is effective upon signature by both parties and has an initial term of 2 years. Unless renegotiated or terminated pursuant to this Section 1, this Agreement will automatically renew for successive one month periods.
 - 1.2. Either Party may seek to negotiate a new agreement by providing written notice to the other Party at least thirty (30) days prior to expiration of the initial term or any succeeding term.
 - 1.3. Either Party may seek to terminate this Agreement by providing written notice to the other Party at least sixty (60) days but no more than ninety (90) days prior to expiration of the initial term or any succeeding term. If either Party sends a timely notice to terminate and the other Party replies with a timely notice for re-negotiation under section 1.2, this Agreement will continue in full force and effect until such new Agreement is effective

through either negotiation, mediation or arbitration under Section 252 of the Act.

2. Scope

2.1. This Agreement is for Interconnection, the exchange of Local Traffic and related services between either Party. This Agreement may be used by either Party to provide retail services or wholesale services to third-party customers. The third-party Local Traffic exchanged between the Parties is treated under this Agreement as Subject Traffic, and all billing associated with that traffic will be in the name of the delivering Party, subject to the terms and conditions of this Agreement. In addition, either Party may offer information services through the same arrangement under 47 C.F.R. 51.100(b).

2.2. Nothing in this Agreement alters or otherwise affects in any manner the local calling areas or services offered by either Party to its End Users.

2.2.1 Each Party agrees that it will not provision any of its services in a manner that will result in, or permits, the circumvention of the applicable intrastate or interstate access charges by the other Party including, but not limited to, the resale to third parties to or the assignment of NPA-NXX numbers associated with one Rate Center for Customers that obtain Local Exchange Service in a different geographical rate Center. Each Party agrees that it will not provision any of its services in a manner that will result in or permits the arbitrage and / or circumvention of the applicable intrastate or interstate access charges by the other Party. Traffic to or from Customers that originates or terminates in areas other than those included in the calling scope of Local Traffic is beyond the scope of the Agreement. All traffic that does not originate or terminate to Customers within the same local calling area of ILEC is subject to intrastate and interstate switched exchange access services tariffs regardless of the transmission protocol used for any portion of the call.

2.2.2 Both Parties warrant that they will: (a) assign telephone numbers in a manner consistent with this Agreement to Customers that obtain Local Exchange Service in the Rate Center Areas associated with the telephone number; (b) provision their local exchange carrier services in a manner that the resulting traffic exchanged between the Parties pursuant to this Agreement will be confined to the scope of the traffic as set forth in this Section; (c) adopt the rate Center Areas for the assignment of telephone numbers that are identical to those used by the incumbent local exchange carriers that serve the Local Service Exchange areas related to the Local

Traffic exchanged pursuant to this Agreement; (d) assign whole NXX codes to each rate Center, or where applicable, thousand number blocks within an NXX Codes assigned to that Rate Center; and (e) subject to this Agreement, provide CPN on Customer originated traffic delivered to the other Party

- 4.3. Any disputed amounts not paid when due pursuant to this Section 4 that subsequently are found to be valid charges (i.e., the dispute is denied) will accrue interest from the date such amounts were originally due at the lesser of (i) one and one-half percent (1-1/2%) per month or (ii) the highest rate of interest that may be charged under Applicable Law. The issuing of a dispute does not require the other Party to forgo the assessment of interest payments during the pendency of such dispute resolution.

5. Audits

- 5.1. Either Party may conduct an audit of the other Party's books and records pertaining to the Services provided under this Agreement, no more frequently than once per twelve (12) month period, to evaluate the other Party's accuracy of billing and invoicing in accordance with this Agreement.
- 5.2. Any audit will be performed as follows: (i) following at least thirty (30) Business Days' prior written notice to the audited Party; (ii) subject to the reasonable scheduling requirements and limitations of the audited Party; (iii) at the auditing Party's sole cost and expense; (iv) of a reasonable scope and duration; (v) in a manner so as not to interfere with the audited Party's business operations; and (vi) in compliance with the audited Party's security rules.
- 5.3. Adjustments, credits or payments shall be made and any corrective action shall commence within thirty (30) Days from the requesting Party's receipt of the final audit report to compensate for any errors or omissions which are disclosed by such audit and are agreed to by the Parties.

- 6.1. The Parties will limit liability in accordance with this Section.
- 6.2. Except for damages resulting from the willful or intentional misconduct of one or both Parties, the liability of either Party to the other Party for

damages arising out of (i) failure to comply with a direction to install, restore or terminate facilities, or (ii) failures, mistakes, omissions, interruptions, delays, errors, or defects occurring in the course of furnishing any services, arrangements, or facilities hereunder shall be determined in accordance with the terms of the applicable tariff(s) of the providing Party. In the event no tariff(s) apply, the providing Party's liability shall not exceed an amount equal to the pro rata monthly charge for the period in which such failures, mistakes, omissions, interruptions, delays, errors, or defects occurred. Because of the mutual nature of the exchange of Subject Traffic arrangement between the Parties pursuant to this Agreement, the Parties acknowledge that the amount of liability incurred under this Section may be zero.

- 6.3. - 6.4. Except in the instance of harm resulting from an intentional action or willful misconduct, neither Party shall be liable to the End User of the other Party in connection with its provision of services to the other Party under this Agreement. 7. No Warranties.

EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, NEITHER PARTY MAKES, AND EACH PARTY HEREBY SPECIFICALLY DISCLAIMS, ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, REGARDING ANY MATTER SUBJECT TO THIS AGREEMENT, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR IMPLIED WARRANTIES ARISING FROM COURSE OF DEALING OR COURSE OF PERFORMANCE.

8. Indemnification

- 8.1. Each Party (the "Indemnifying Party") shall release, indemnify, defend and hold harmless the other Party ("Indemnified Party") from and against

all losses, claims, demands, damages, expenses (including reasonable attorney's fees), suits or other actions, or any liability whatsoever related to the subject matter of this Agreement, (i) whether suffered, made, instituted, or asserted by any other party or person, relating to personal injury to or death of any person, or for loss, damage to, or destruction of real and/or personal property, whether or not owned by others, incurred during the term of this Agreement and to the extent proximately caused by the act(s) or omission(s) of the Indemnifying Party, regardless of the form of action, or (ii) whether suffered, made, instituted, or asserted by its own customer(s) against the other Party arising out of the other Party's provisioning of services to the Indemnifying Party under this Agreement, except to the extent caused by the gross negligence or willful misconduct of the Indemnified Party, or (iii) arising out of the libel, slander, invasion of privacy, misappropriation of a name or likeness. Notwithstanding the foregoing, nothing contained herein shall affect or limit any claims, remedies, or other actions the Indemnifying Party may have against the Indemnified Party under this Agreement, any other contract, or any applicable tariff(s), regulation or laws for the Indemnified Party's provisioning of said services.

- 8.2. The Indemnified Party shall (i) notify the Indemnifying Party promptly in writing of any written claims, lawsuits, or demand by third parties for which the Indemnified Party alleges that the Indemnifying Party is responsible under this Section and (ii) tender the defense of such claim, lawsuit or demand to the Indemnifying Party, (iii) assert any and all provisions in its tariff that limit liability to third parties as a bar to any recovery by the third-party claimant in excess of such limitation. The Indemnified Party also shall cooperate in every reasonable manner with the defense or settlement of such claim, demand, or lawsuit. The Indemnifying Party shall keep the Indemnified Party reasonably and timely apprised of the status of the claim, demand or lawsuit. In no event shall the Indemnifying Party settle or consent to any judgment pertaining to any such action without the prior written consent of the Indemnified Party, which consent shall not be unreasonably withheld, delayed or conditioned. The Indemnified Party shall have the right to retain its own counsel, at its expense, and participate in but not direct the defense, except that if the Indemnifying Party does not promptly assume or diligently pursue the tendered action, then the Indemnified Party may proceed to defend or settle said action at the expense of the Indemnifying Party.
- 8.3. The Indemnifying Party shall not be liable under this Section for settlements or compromises by the Indemnified Party of any claim, demand, or lawsuit unless the Indemnifying Party has approved the settlement or compromise in advance, and such approval by the Indemnifying Party shall not be unreasonably withheld, or unless the defense of the claim, demand, or lawsuit has been tendered to the

Indemnifying Party in writing and the Indemnifying Party has failed to promptly undertake the defense.

9. Force Majeure

Neither Party shall be liable for any delay or failure in performance of any part of this Agreement from any cause beyond its control and without its fault or negligence, regardless of whether such delays or failures in performance were foreseen or foreseeable as of the date of this Agreement, including, without limitation, acts of God, acts of civil or military authority, embargoes, epidemics, war, terrorist acts, riots, insurrections, fires, explosions, earthquakes, nuclear accidents, floods, power failure or blackouts. If performance of either Party's obligations is delayed under this Section, the due date for the performance of the original obligation(s) shall be extended by a term equal to the time lost by reason of the delay. In the event of such delay, the delaying Party will perform its obligations at a performance level no less than that which it uses for its own operations.

10. Nondisclosure of Proprietary Information

10.1. It may be necessary for the Parties to exchange with each other certain confidential information during the term of this Agreement including, without limitation, technical and business plans, technical information, proposals, specifications, drawings, procedures, orders for services, usage information in any form, customer account data, call detail records, Customer Proprietary Network Information ("CPNI") and Carrier Proprietary Information ("CPI") as those terms are defined by the Communications Act of 1934, as amended, and the rules and regulations of the FCC and similar information (collectively, "Confidential Information"). Confidential Information includes (i) all information delivered in written form and marked "confidential" or "proprietary" or bearing mark of similar import; (ii) oral information, if identified as confidential or proprietary at the time of disclosure and confirmed by written notification within ten (10) days of disclosure; (iii) information derived by the Recipient (as hereinafter defined) from a Disclosing Party's (as hereinafter defined) usage of the Recipient's network; and (iv) or information that the circumstances surrounding disclosure or the nature of the information suggests that such information is proprietary or should be treated as confidential or proprietary. The Confidential Information will remain the property of the Disclosing Party and is proprietary to the Disclosing Party. Recipient will protect Confidential Information as the Recipient would protect its own proprietary information, including but not limited to protecting the Confidential Information from distribution, disclosure, or dissemination to anyone except employees or duly authorized agents of the Parties with a need to know such information and which the affected employees and agents shall be bound by the terms of

this Section. Confidential Information will not be disclosed or used for any purpose other than to provide service as specified in this Agreement, or upon such other terms as may be agreed to by the Parties in writing. For purposes of this Section, the Disclosing Party means the owner of the Confidential Information, and the Recipient means the Party to whom Confidential Information is disclosed.

- 10.2. Recipient has no obligation to safeguard Confidential Information (i) which was in the Recipient's possession free of restriction prior to its receipt from Disclosing Party, (ii) after it becomes publicly known or available through no breach of this Agreement by Recipient, (iii) after it is rightfully acquired by Recipient free of restrictions on the Disclosing Party, or (iv) after it is independently developed by personnel of Recipient to whom the Disclosing Party's Confidential information had not been previously disclosed. Recipient may disclose Confidential Information if required by law, a court, or governmental agency, provided that Disclosing Party has been notified of the requirement promptly after Recipient becomes aware of the requirement, and provided that Recipient undertakes all reasonable lawful measures to avoid disclosing such information until Disclosing Party has had reasonable time to obtain a protective order. Recipient will cooperate with the Disclosing Party to obtain a protective order and to limit the scope of such disclosure. Recipient will comply with any protective order that covers the Confidential Information to be disclosed.
- 10.3. Each Party agrees that Disclosing Party would be irreparably injured by a breach of this Agreement by Recipient or its representatives and that Disclosing Party is entitled to seek equitable relief, including injunctive relief and specific performance, in the event of any breach of this paragraph. These remedies are not exclusive, but are in addition to all other remedies available at law or in equity.

12. Dispute Resolution

- 12.1. If any matter is subject to a dispute between the Parties, the disputing Party will give written notice to the other Party of the dispute. Each Party to this Agreement will appoint a good faith representative to resolve any dispute arising under this Agreement.
- 12.2. If the Parties are unable to resolve the issues related to the dispute in the normal course of business within thirty days after delivery of notice of the dispute to the other party, the dispute shall be escalated to a designated representative who has authority to settle the dispute and who is at a higher level of management than the persons with direct responsibility for

administration of this Agreement. If negotiations do not resolve the dispute, then either party may proceed with any remedy available to it pursuant to law, equity, or agency mechanisms. Notwithstanding the above provisions, if the dispute arises from a service affecting issue, either Party may immediately seek any available remedy.

13. Miscellaneous

- 13.1. Amendments. No amendment of this Agreement is valid unless it is in writing and signed by both Parties.
- 13.2. Independent Contractors. The Parties to this Agreement are independent contractors. Neither Party is an agent, representative, or partner of the other Party.
- 13.3. Taxes. Each Party is responsible for any and all taxes and surcharges arising from its conduct under this Agreement and shall, consistent with Section 8 indemnify and hold harmless the other Party for its failure to pay and/or report any applicable taxes and surcharges. Neither Party is required to pay the other Party any tax or surcharge for which it provides an exemption certificate or other proof of exemption.
- 13.4. Survival. The Parties' obligations under this Agreement which by their nature are intended to continue beyond the termination or expiration of this Agreement survive the termination or expiration of this Agreement.
- 13.5. Publicity. Neither Party nor its subcontractors or agents will use the other Party's trademarks, service marks, logos, company name or other proprietary trade dress in any advertising, press releases, publicity matters or other promotional materials without that Party's prior written consent.
- 13.6. Default. If either Party believes the other is in breach of this Agreement or otherwise in violation of law, it will first give thirty (30) days notice of such breach or violation and an opportunity for the allegedly defaulting Party to cure. Thereafter, the Parties will employ the dispute resolution procedures set forth in this Agreement.
- 13.7. Waiver. Any failure on the part of a Party hereto to comply with any of its obligations, agreements or conditions hereunder may be waived by written documentation by the other Party to whom such compliance is owed. No waiver of any provision of this Agreement shall be deemed, or shall constitute, a waiver of any other provision, nor shall any waiver constitute a continuing waiver.
- 13.8. Change of Law. If a federal or state regulatory agency or a court of competent jurisdiction issues a rule, regulation, law or order which has the

effect of canceling, changing, or superseding any material term or provision of this Agreement then the Parties will negotiate in good faith to modify this Agreement in a manner consistent with the form, intent and purpose of this Agreement and as necessary to comply with such change of law. Should the Parties be unable to reach agreement with respect to the applicability of such order or the resulting appropriate modifications to this Agreement, either Party may invoke the Dispute Resolution provisions of this Agreement, it being the intent of the Parties that this Agreement shall be brought into conformity with the then current obligations under the Act as determined by the change in law.

- 13.9. No Third-Party Beneficiaries. This Agreement does not provide any third party with any benefit, remedy, claim, right of action or other right.
- 13.10. Governing Law. To the extent not governed by, and construed in accordance with, the laws and regulations of the United States, this Agreement is governed by, and construed in accordance with, the laws and regulations of the FCC and the state of Kentucky, without regard to its conflicts of laws principles.
- 13.11. Severability. If any part of this Agreement is held to be unenforceable or invalid in any respect under law or regulation, such unenforceability or invalidity will affect only the portion of the Agreement which is unenforceable or invalid. In all other respects this Agreement will stand as if the invalid provision had not been a part thereof, and the remainder of the Agreement remains in full force and effect, unless removal of that provision results in a material change to this Agreement. In such a case, the Parties shall negotiate in good faith to replace the unenforceable language with language that reflects the intent of the Parties as closely as possible. If replacement language cannot be agreed upon, either Party may request dispute resolution pursuant to Section 12.
- 13.12. Assignment. This Agreement will be binding upon, and inure to the benefit of, the Parties hereto and their respective successors and permitted assigns. Any assignment or transfer (whether by operation of law or otherwise) by either Party of any right, obligation, or duty, in whole or in part, or of any interest, without the written consent of the other Party will be void ab initio, provided however that consent will not be unreasonably withheld, conditioned or delayed. Consent is not required if assignment is to a corporate affiliate or an entity under common control or an entity acquiring all or substantially all of its assets or equity, whether by sale, merger, consolidation or otherwise or in connection with a financing transaction.

14. Interconnection

14.1. The Parties shall make available to each other Interconnection Facilities for the reciprocal exchange of Local Traffic and exchange access traffic ("Traffic"). For Interconnection under 251(a) of the Act the following terms apply:

14.2. Direct Interconnection

14.2.1. Direct Interconnection using Two-way Facility. Unless otherwise agreed to by the Parties, the Parties agree to use a two-way Interconnection Facility subject to the following terms.

14.2.1.1. Sprint will establish at least one POI on the network of the ILEC at a meet point location within the ILEC Service Area. Each party will be responsible for provisioning, engineering and maintaining its network on its side of the POI. Each Party will be financially responsible for that portion of the facility on its side of the POI.

14.2.1.2. Each Party will deliver its Traffic to the POI.

14.2.1.3. POI(s) provided for under this Agreement are defined in Attachment A.

14.2.1.4. Sprint may provide the two-way Interconnection Facility via lease of meet-point circuits between ILEC and a third party, lease of ILEC facilities, lease of third-party facilities, or use of its own facilities.

14.2.1.5. Notwithstanding any other provision of this Agreement or ILEC's tariff, if Sprint elects to order Interconnection Facilities from ILEC's access tariff or purchases the Interconnection Facility from ILEC under this Agreement the terms in this Section 14.2 will apply.

14.2.1.6. Compensation for Interconnection Facilities is separate and distinct from any transport and termination per minute of use charges or an otherwise agreed upon Bill and Keep arrangement.

14.2.1.7. Regardless of how Interconnection Facilities are provisioned (e.g., owned, leased or obtained pursuant to tariff, etc.) each Party is individually responsible to provide facilities to the POI that are necessary for routing, transporting, measuring, and

billing Traffic from the other Party's network and for delivering Traffic to the other Party's network in a mutually acceptable format and in a manner that neither destroys nor degrades the normal quality of service.

14.3. Technical Requirements for Interconnection

- 14.3.1. The Parties agree to utilize SS7 Common Channel Signaling ("CCS") between their respective networks. Both Parties will provide CCS connectivity in accordance with accepted industry practice and standard technical specifications. For all Traffic exchanged, the Parties will cooperate with one another on the exchange of all appropriate unaltered CCS messages for call set-up, including without limitation ISDN User Part ("ISUP") and Transaction Capability User Part ("TCAP") messages to facilitate interoperability of CCS-based features and functions between their respective networks, including CLASS features and functions. All CCS signaling parameters, including, but not limited to the originating end user telephone number, will be provided by each Party in conjunction with all Traffic it exchanges to the extent required by industry standards. Each Party will transmit calling party number (CPN) as required by FCC rules (47 C.F.R. 64.1601).

15. Intercarrier Compensation

15.1. Compensation for Local Traffic

- 15.1.1. Pursuant to section 15.1.2 of this Agreement, the reciprocal compensation for the exchange of Telecommunications Traffic will be on a Bill and Keep basis.
- 15.1.2. Parties will transport and terminate each other's Local Traffic on a Bill and Keep basis, as long as such Traffic is in balance. In the event such Traffic, excluding ISP traffic, results in traffic being out of balance by 10% or more, the ILEC may request renegotiation of reciprocal compensation and Parties agree to negotiate a revision to Attachment A in good faith.

15.2. Compensation for Toll Traffic (non-47 C.F.R. 51.701(b) traffic)

Compensation for the termination of toll traffic and the origination of 800 traffic between the Parties shall be based on applicable tariff access charges in accordance with FCC and Commission Rules and Regulations and consistent with the provisions of this Agreement.

16. Dialing Parity

The Parties shall provide Dialing Parity to each other as required under Section 251(b)(3) of the Act.

17. Office Code Translations

- 17.1. It shall be the responsibility of each Party to program and update its own switches and network systems in accordance with the Local Exchange Routing Guide ("LERG") in order to recognize and route traffic to the other Party's assigned NXX codes at all times.
- 17.2. When more than one carrier is involved in completing the call, the N-1 carrier has the responsibility to determine if a query is required, to launch the query, and to route the call to the appropriate switch or network in which the telephone number resides.
- 17.3. If a Party does not fulfill its N-1 carrier responsibility, the other Party shall perform queries on calls to telephone numbers with portable NXXs received from the N-1 carrier and route the call to the appropriate switch or network in which the telephone number resides. The N-1 carrier shall be responsible for payment of charges to the other Party for any queries, routing, and transport functions made on its behalf, including any reciprocal compensation assessed by the terminating carrier or transit charges assessed by a tandem provider.

18. Local Number Portability

- 18.1. Local Number Portability (LNP) provides an End User the ability to retain its existing telephone number when changing from one service provider to another.

- 18.2. The Parties recognize that some of the traffic to be exchanged under this Agreement may be destined for telephone numbers that have been ported. The Parties shall provide LNP query, routing, and transport services in accordance with rules and regulations as prescribed by the FCC and the guidelines set forth by the North American Numbering Council ("NANC"). The applicable charges for LNP query, routing, and transport services shall be billed in accordance with each Party's applicable tariff or contract.
- 18.3. The Parties will mutually provide LNP services. LNP applies when an End User with an active account wishes to change service providers while retaining the telephone number or numbers associated with the account. LNP is also used with the provisioning of number pooling which the Parties will mutually provide in accordance with rules and regulations as prescribed by the appropriate regulatory bodies and using the industry guidelines set forth for number pooling.
- 18.4. Both Parties will cooperate to perform testing as specified in industry guidelines to ensure interoperability between networks and systems. Each Party shall inform the other Party of any system updates that may affect the other Party's network and each Party shall, at the other Party's request, perform tests to validate the operation of the network.
- 18.5. The Parties agree that traffic will be routed via a Location Routing Number ("LRN") assigned in accordance with industry guidelines.
19. Coordination of Transfer of Service
 - 19.1. When an End User transfers service from one Party to the other Party, the Parties will coordinate the timing for disconnection from one Party and connection with the other Party so that transferring End Users are not without service for any extended period of time. Other coordinated activities associated with transfer of service will be coordinated between the Parties to ensure quality services to the public.
 - 19.2. The Parties will establish mutually acceptable, reasonable, and efficient transfer of service procedures that utilize a standardized LSR format for the exchange of necessary information for coordination of service transfers between the Parties.
 - 19.3. Each Party is responsible for following FCC rules for obtaining authorization from each End User initiating transfer of service from one Party to the other Party.

- 19.4. Each Party will accept transfer of service requests from the other Party for one End User that includes multiple requests for transfers where the End User will retain one or more telephone numbers.

20. Directory Listings and Distribution Services

- 20.1. Sprint may provide to ILEC or ILEC's directory publisher, as specified by ILEC, the subscriber list information (including additions, changes and deletions) for its End Users, located within ILEC's operating areas. It is the responsibility of Sprint to submit directory listings in the prescribed manner to ILEC or ILEC's directory publisher prior to the directory listing publication cut-off date, which will be provided by ILEC or ILEC's directory publisher to Sprint.
- 20.2. ILEC will include Sprint's End Users primary listings (residence and business) in its White Pages Directory, and if applicable in its Yellow Pages Directory under the appropriate heading classification as determined by directory publisher as well as in any electronic directories in which ILEC's own Customers are ordinarily included. Listings of Sprint's End Users will be interfiled with listings of ILEC's customers and the customers of other LECs, in the local section of ILEC's directories.
- 20.3. At the current time ILEC does not maintain the listing database. If at such time as ILEC maintains the listing database on behalf of Sprint, Sprint may identify End Users that have elected not to have their number published. To the extent Sprint does not wish to have its End User's listing Listed, Non-Listed, or Non-Published, Sprint may remove such listing from the ILEC's database via the industry standard process. Tariff charges apply for End Users identified by Sprint to ILEC as "non-published" or "unlisted".
- 20.4. ILEC will provide Sprint's End Users a primary listing in the telephone directories at no charge. Sprint will pay ILEC's tariffed charges for additional directory listings for the same End User. No other charges will apply.
- 20.5. ILEC will distribute its telephone directories to Sprint's End Users in the same manner it distributes telephone directories to its own End Users.

20.6. If ILEC uses a third party to publish and provide directories, ILEC will provide the contact information for the directory provider. ILEC will cooperate with Sprint and the directory provider to ensure that Sprint's End-User's listings are included in the directory consistent with ILEC's End-User's listings and that directories are distributed to Sprint's End Users in the same manner that directories are distributed to ILEC's End Users.

21. 911 Requirements

21.1. Sprint or its agent shall provide initial and ongoing updates of Sprint's End Users 911 Records to the appropriate 911 center.

21.2. Each Party is solely responsible for the receipt and transmission of 911/E911 traffic originated by it. The Parties acknowledge and affirm that calls to 911/E911 shall not be routed over the interconnection trunk group(s) identified in and required under this Agreement.

22. Multiple Counterparts

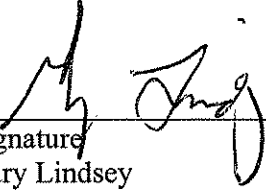

This Agreement may be executed in counterparts and each of which shall be an original and all of which shall constitute one and the same instrument and such counterparts shall together constitute one and the same instrument.

23. Entire Agreement

This Agreement, including all attachments and subordinate documents attached hereto or referenced herein, all of which are incorporated by reference, constitute the entire matter, and supersede all prior oral or written agreements, representations, statements, negotiations, understandings, proposals, and undertakings with respect to the subject matter.

IN WITNESS WHEREOF, the Parties agree that the effective date of this Agreement is the date first written above, and each Party warrants that it has caused this Agreement to be signed and delivered by its duly authorized representative.
