Re: Voluntary Termination of Interconnection Agreement between Foothills Rural Telephone Cooperative Corporation, Inc. and Momentum Telecom, Inc.

November 6, 2014

Dear Mr. Derouen:

On December 27, 2007, Foothills Rural Telephone Cooperative Corporation, Inc. ("Foothills") and Momentum Telecom, Inc. entered into a negotiated interconnection agreement, assigned tracking number 00935-AI ("Momentum/Foothills Agreement"). That agreement was executed under a two year term converting to month-to-month at the end of the initial term. While in effect, the agreement has been operationally inactive for several years.

Since filing the Momentum/Foothills Agreement, Momentum Telecom, Inc. has merged with ALEC, LLC. ALEC, LLC has a current active interconnection agreement with Foothills. By signature below, the companies agree to terminate the Momentum/Foothills Agreement and will, instead, maintain their interconnection relationship through the Foothills and ALEC, LLC agreement.

If there are any questions, please contact Eileen Bodamer at 770-649-1886 or Eileen@Bodamer.com.

Respectfully,

Foothills Rural Telephone Cooperative
