Re: Administrative Case 360

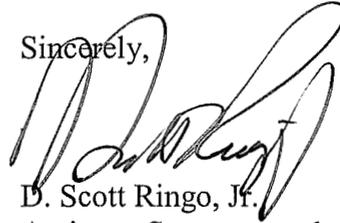

Dear Ms. O'Donnell:

This letter is to certify that Cincinnati Bell Telephone Company LLC (CBT) has procedures in place to annually re-certify the eligibility of all of its Lifeline customers, per the Commission's May 24, 2007 Order in this case. The results of CBT's 2007 initial re-certification mailing/audit are provided in the chart below. CBT sent a second mailing to customers who did not provide appropriate documentation or respond to the initial mailing. In accordance with FCC requirements to remove Lifeline benefits, CBT will remove the Lifeline discount for customers who do not provide sufficient documentation of their continued eligibility for Lifeline within 60 days of the second mailing. CBT will update the results in the following table after the October 17, 2007 reply deadline is past for the second mailing.

	<u>First Audit Mailing</u>
Number of Lifeline Customers Surveyed	5,583
Documented Continued Eligibility	2,554
Service Disconnected or Replied - No Longer Eligible	169
Replied - Insufficient/No Documentation	480
Did Not Respond	2,380

I am an officer of Cincinnati Bell Telephone Company LLC, and I am authorized to make this certification. Questions regarding this audit may be directed to Robert Wilhelm at 513-397-6858 or bob.wilhelm@cinbell.com, or Evelyn King at 513-397-1378 or evelyn.king@cinbell.com.
