RE: Administrative Case No. 360
An Inquiry Into Universal Service and Funding Issues

Dear Ms. Stumbo:

Pursuant to the May 24, 2007 Order in Administrative Case No. 360, ETCs are required by August 15 of each calendar year to submit the results of its annual audit of its entire Lifeline subscribership.

West Virginia PCS Alliance L.C. (dba nTelos) completed its annual audit of its entire Lifeline customer base on June 9, 2008. At the time of the audit, we had a total of 12 Lifeline customers. Four customers no longer meet the eligibility requirements and have been removed from the Lifeline plan.

If you have any questions, please contact me at 540-946-3547 or sarbina@ntelos.com.

Sincerely,
