AFFIDAVIT

**STATE OF KENTUCKY
COUNTY OF KNOTT**

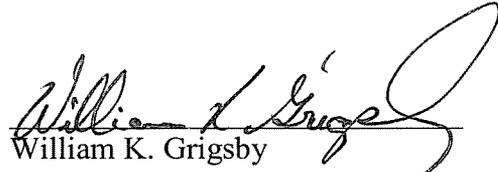

BEFORE ME, the undersigned authority, on this day personally appeared William K. Grigsby of Thacker-Grigsby Telephone Company, Inc., who on his oath deposed and said:

1. My name is William K. Grigsby. I am employed by Thacker-Grigsby Telephone Company, Inc., in the position of Vice-President/General Manager. In this position, I am personally familiar with the Federal Universal Service support received by the Company and how these funds are used by the Company.
2. Thacker-Grigsby Telephone Company, Inc. was designated as an eligible telecommunications carrier by the Kentucky Public Service Commission in Case No. 360 by order dated November 26, 1997.
3. Thacker-Grigsby Telephone Company, Inc. estimates that it will receive \$426,000 of Federal Universal Service high cost support during the January 1, 2010 to December 2010 time period.
4. The Federal Universal Service Support funds the Company receives during 2010 will be used for the provision, maintenance and upgrading of facilities and services for which the support is intended, as designated by the Federal Communications Commission consistent with Section 254(e) of the Federal Telecommunications Act. These funds will be used to provide the following supported services, as outlined in 47

CFRS54.10(a), which are available to any customer in the Company's service area: single-party voice grade access to the public switched network, unlimited local usage, dual-tone multi-frequency signaling or its functional equivalent, access to emergency services, including 911 service or enhanced 9-1-1 service, access to operator service, access to interexchange service and access to directory assistance and toll limitation for qualifying low income customers.

5. Thacker-Grigsby Telephone Company, Inc. follows Federal Communications Commission Part 32 accounting requirements for regulated local exchange carriers and Part 36 separations provisions used to determine high cost support amounts. As a regulated utility, Thacker-Grigsby Telephone Company's accounting and separations procedures are subject to periodic National Exchange Carrier Association and Kentucky Public Service Commission reviews.
6. While continuing to receive the estimated amount of Federal Universal Service support as described and using this support for the purpose as described, Thacker-Grigsby Telephone Company, Inc. does not anticipate increasing local rates nor withdrawing any services; therefore, the comparability of rates and service between the rural areas served by Thacker-Grigsby Telephone Company, Inc. and the urban areas of Kentucky will not be changed because of any action on the part of Thacker-Grigsby Telephone Company, Inc.

7. The matters addressed above are within my personal knowledge and are true and correct.

William K. Grigsby

Sworn and subscribed before me, the undersigned authority, on this the 14th day of August, 2009.
