ANNUAL AFFIDAVIT REGARDING USE OF FEDERAL  
UNIVERSAL SERVICE HIGH -COST SUPPORT

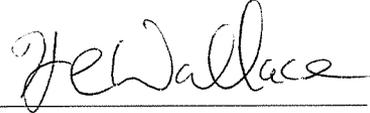

East Kentucky Network, LLC d/b/a Appalachian Wireless ("East Kentucky Network") hereby submits the attached affidavit regarding the use of Federal Universal Service High-Cost Support.

In order to receive federal support beginning January 1 of each year, the Kentucky Public Service Commission must file its annual certification on or before October 1 of the previous year. The attached affidavit should be accepted by the Kentucky Public Service Commission for the purpose of notifying the Universal Service Administrative Company ("USAC") and the Federal Communications Commission ("FCC") that East Kentucky Network is eligible to receive high-cost support in accordance with 47 U.S.C. § 254(e).

In addition, in accordance with the August 11, 2005 order in Case No. 2005-00045, East Kentucky Network reports that it progressed with its build-out plans by constructing fifteen new cell sites last year. East Kentucky Network also reports that it received 171 "trouble reports" per 1,000 handsets last year; however, the majority of these are not complaints, but questions concerning handsets, features and the like. Finally, East Kentucky Network reports that it did not

receive any unfulfilled requests for service in its service area last year.

Respectfully submitted,

**AFFIDAVIT OF GERALD ROBINETTE**

I, the undersigned Gerald Robinette, do hereby declare under penalty of perjury as follows.

1. I am the authorized representative of East Kentucky Network, LLC d/b/a Appalachian Wireless ("East Kentucky Network"). I am personally familiar with the Federal Universal Service High-Cost Support received by East Kentucky Network and how these funds are used by East Kentucky Network.

2. East Kentucky Network was designated as an eligible telecommunications carrier by the Kentucky Public Service Commission in Case No. 2005-00045 by order dated August 11, 2005.

3. East Kentucky Network estimates that it will receive \$4,572,086 of Federal Universal Service high-cost support during the January 1, 2008 to December 31, 2008 time period.

4. The Federal Universal Service Support funds East Kentucky Network receives during 2008 will be used for the provision, maintenance and upgrading of facilities and services for which the support is intended, as designated by the Federal Communications Commission consistent with Section 254(e) of the Federal Telecommunications Act of 1996. These funds will be used to provide the following supported services, as outlined in 47 C.F.R. § 54.101(a), which are available to any customer in East Kentucky Network's service area: voice grade access to the public switched network, unlimited local usage, dual tone multi-frequency signaling or its functional equivalent, access to emergency services, including 9-1-1 service or enhanced 9-1-1 service, access to operator service, access to interexchange service and access to directory assistance and toll limitation for qualifying low income customers.

5. East Kentucky Network follows Federal Communications Commission Part 32

accounting requirements for regulated local exchange carriers and Part 36 separations provisions used to determine high-cost support amounts.

6. While continuing to receive the estimated amount of Federal Universal Service support as described and using this support for the purposes as described, East Kentucky Network does not anticipate increasing local rates nor withdrawing any services; therefore, the comparability of rates and service between the rural areas served by East Kentucky Network and the urban areas of Kentucky will not be changed because of any action on the part of East Kentucky Network.

7. The matters addressed above are within my personal knowledge and are true and correct.
